It is essential to stick to standards of formatting to deliver a text deserving high evaluation.

The lead-in or introductory part is of the utmost importance as it gives the target reader the understanding of the information that will be delivered further in the essay and helps to concentrate on the central idea of the composition. It is essential to make it maximally exciting and engaging to grab the attention of the target audience. Apart from that, this part has to comprise the thesis sentence - the core of the whole essay. It is the central statement that should be defended and supported in the main body.

The main body has to comprise the main info. It should be a clear expression of ideas by the author. One has to support and defend the position stated in the introduction of the essay. It may also be enhanced with the plenty of examples and statistical data to make the text more vibrant and exciting for the target reader.
