I would like to express my gratitude to Professor Collins and Jane Arden (Lab Technician at XYZ State University) for their guidance, academic encouragement, and friendly critique. Their attitude and care have helped me to complete this research project on time. I would also like to thank Dr. King for her advice and cooperation as she helped me to access information from relevant university departments. The contribution of Mr. Bean to this project cannot be underestimated as his humor and analytical work have helped me to calculate the financial part and estimate available resources.

I would also like to extend my thanks to XYZ Systems for their tuning of the technical equipment and their skills in running the XYZ systems.

Finally, I would like to thank my family for their support and care throughout my research work.
