

The background of the entire image is a painting. It depicts a woman with long, dark hair lying down, her head resting on her hand. She is wearing a light-colored, possibly white, dress. The lighting is dramatic, with strong highlights on her face and hair, and deep shadows elsewhere. In the background, there are classical architectural elements, including a large dome and columns, suggesting a grand, perhaps ancient, setting. The overall color palette is dark, with blues, greys, and browns, punctuated by the highlights on the woman's figure.

Journey By Moonlight Antal Szerb:

Journey by Moonlight Antal Szerb, 2024-04-30 An early twentieth century classic the turbulent dreamlike story of a businessman torn between middle class respectability and sensational bohemia No one who has read it has failed to love it Nicholas Lezard Mih ly and Erzsi are on honeymoon in Italy Mih ly has recently joined the respectable family firm in Budapest but as his gaze passes over the mysterious back alleys of Venice memories of his bohemian past reawaken his old desire to wander When bride and groom become separated at a provincial train station Mih ly embarks on a chaotic and bizarre journey that leads him finally to Rome where he must reckon with both his past and his future In this intoxicating and satirical masterpiece Szerb takes us deep into the conflicting desires of marriage and shows how adulthood can reverberate endlessly with the ache of youth

Traveler and the Moonlight ,2016-02-12 Special 70th Anniversary American Edition A new translation by writer and poet Peter Hargitai Writer and poet Peter Hargitai working on an English translation of Utas s holdvilg Traveler and the Moonlight in 1988 met with Szerbs widow Klra curious to know whether there had been real life models for the novels characters particularly for Tams and va who intrigued him above all the others In answer Klra Szerb pointed out a framed photograph on a bookshelf a youngish man with a pale aristocratic melancholy face This is Tams Mrs Szerb said My husbands beloved schoolmate And va Who is va I asked She held up that very picture This is also va Tams and va are one and the same Klra Szerb went on to insist that Hargitai keep the secret of Tams and vas single biographical precedent until after her death And there we have a clue not only to the mysterious androgyny of Tams and va and to the sexually unconventional nature of Mihlys relationship with them but also perhaps to an unresolved chapter from Szerbs past one that held mysteries potent enough to give rise to a novel Julie Orringer Author of *The Invisible Bridge* I hope *The Traveler* reaches thousands and thousands of readers Elie Wiesel Distinguished Nobel Laureate

Heretic Dawn Robert Merle, 2016-06-07 1572 Returning from his studies in Montpellier Pierre de Siorac is ambushed by a jealous P rigord nobleman A duel ensues and Pierre must subsequently travel to Paris to seek his pardon from the King The capital city and the royal court are a disorienting new environment for Pierre a world of sweet words and fierce pride where coquettish smiles hide behind fans and murderous intents behind elegant bows a world of genteel tennis matches and deadly swordplay whose elaborate social graces mask a simmering tension that will soon explode to engulf the entire city in one of history s most infamous bouts of butchery and signal the dawn of a new and bloody era in the history of France Here Pierre faces the greatest challenge of his young existence to make his way through this deceptively dangerous milieu to win a royal pardon and finally to escape from Paris with his life and the lives of his beloved companions intact

A Life Italo Svevo, 2018-07-17 *A Life* is the gruelling tale of the frustrated existence of a bank clerk with a poetic soul The artistic aspirations of the protagonist and the emptiness of his daily life become tragic in the great divide between what he wants and what he actually has and gets Alfonso the bank clerk wants to be a poet and seems to be falling in love with Annetta the vain and arrogant

daughter of his boss But the emptiness of both his attempts at writing and at love lead to an ironic and painful conclusion

Shutterspeed Erwin Mortier, 2015-05-05 A wonderful balanced novel about how the remains of the past reverberate in the present *Shutterspeed* sensitively and delicately describes the powerful emotions which lie just beneath the surface of the unruffled sheen of village life Joris father died young and his mother moved to Spain so he has lived with his aunt and uncle since early childhood He is quiet and introverted and his aunt and uncle fear that he harbours a deep resentment for the loss of his parents The gentle pace of life in the village is suddenly disturbed when a decision is made to remove the cemetery in the centre For the boy this awakens various emotionally charged memories of his dead father The book ends with the death of the boy's foster parents marking a definitive end to his youth *Jews in an Illusion of Paradise* Norman

Simms, 2017-03-07 The focus of this volume is on essential themes images and generic patterns beginning with a Talmudic legend about four scholars They by means of daring mystical interpretations of Scripture entered a Paradise representing different means of imaginative reading perception memory and application of the law One of them died one went mad another became a heretic and the other came back as a traditional exegete and teacher Based on that legend this book examines a small group of late 19th and early 20th century European Jewish intellectuals and artists in the light of their dreams writings and moments of crisis These men and women comedians in both the sense of stage actors and clowns or witty performers believed they had entered a new secular and tolerant society but discovered that there was no escape from their Jewish heritage and way of seeing the world This monograph looks into the imperfect mirror of cultural experience discovers a hazy world of illusions dreams and nightmares on the other side of the looking glass and sometimes constructs a midrashic conceit of the comical and grotesque screen between them **Love in a Bottle and Other Stories** Antal
