Lady Excalibur Beginings:

Lady Excalibur, Beginnings Richard Griffith,2015-01-01 Research Librarian Katherine Pendragon always had the fantasies that her name inspired So she traveled to England and became the worlds leading most expert in King Arthur and the Knights of the Round table But that was all history Until faced with a gruesome fate she inadvertently summons the sword of legend EXCALIBUR Now armed with the magic blade she prowls the streets of London dispensing healthy doses of justice But is there another reason for the mystic blades return Find out as Lady Excalibur and her friends face an ancient evil

Beginning Groovy and Grails Jim Shingler,Joseph Faisal Nusairat,Christopher M Judd,2008-09-22 Web frameworks are playing a major role in the creation of today s most compelling web applications because they automate many of the tedious tasks allowing developers to instead focus on providing users with creative and powerful features Java developers have been particularly fortunate in this area having been able to take advantage of Grails an open source framework that supercharges productivity when building Java driven web sites Grails is based on Groovy which is a very popular and growing dynamic scripting language for Java developers and was inspired by Python Ruby and Smalltalk Beginning Groovy and Grails is the first introductory book on the Groovy language and its primary web framework Grails This book gets you started with Groovy and Grails and culminates in the example and possible application of some real world projects You follow along with the development of each project implementing and running each application while learning new features along the way

The Beginning of the End Allen Robinson,2022-03-30 The world will soon end In the blink of an eye the whole world will be changed Destruction will come upon the earth in a wave of terror The way we live will change and the world as we know it will suddenly disappear in utter destruction Millions will die and death will reign upon this earth Moment by moment second by second time ticks away as the end draws near Will you be left behind

Beginning Groovy, Grails and Griffon
Christopher M Judd,Joseph Faisal Nusairat,Jim Shingler,Vishal Layka,2013-03-12 Web frameworks are playing a major role in the creation of today s most compelling web applications because they automate many of the tedious tasks allowing developers to instead focus on providing users with creative and powerful features Java developers have been particularly fortunate in this area having been able to take advantage of Grails an open source framework that supercharges productivity when building Java driven web sites Grails is based on Groovy which is a very popular and growing dynamic scripting language for Java developers and was inspired by Python Ruby and Smalltalk Beginning Groovy Grails and Griffon is the first introductory book on the Groovy language and its primary web framework Grails Griffon is also covered While Grails is the Web framework for building Groovy Web applications Griffon is the desktop framework for building desktop Groovy applications Could Groovy be the new Java It s light fast and free open source This book gets you started with Groovy Grails and Griffon and culminates in the example and possible application of some real world projects You follow along with the development of each project implementing and running each application while learning new features along the way In

the Beginning David S. Bradford, 2008-10 The creation account that begins the Old Testament exhibits conspicuous structures that have intrigued scholars theologians and casual readers alike A typical response is to merely acknowledge the author's clever use of poetic devices But is this an adequate explanation and response Or could the mystifying surface text be an invitation to seek a deeper message hiding in plain sight In fact the start of Genesis contains enough clues to help us decode its hidden content And that same content is among other things a tiny seed which has determined the blossoming of the whole Bible Finding the cryptic content in the Hebrew Torah is like bringing a magic lantern into proper focus Suddenly it becomes obvious why widely separated biblical episodes came about All at once hitherto obscure passages are brought into the limelight Mysterious prophecies and apparent contradictions in books like Ezekiel and Revelation Ezra and Nehemiah finally make perfect sense but in surprising ways And all this from one strategically placed incredibly compact literary artefact The prophets are not alone in having found the key to the hidden mysteries The same phenomenon also illuminates both the rise and final demise of the enigmatic Knights Templar In due course the same seed became misrepresented in popular myths and legends as well as shaping the symbolism of particular secret societies Perhaps the most surprising attribute of the creation account is that it does after all conceal descriptions of the way our physical universe works even from its remotest beginning Includes over 80 original illustrations

Medieval Women on Film Kevin J. Harty, 2020-04-02 In this first ever book length treatment 11 scholars with a variety of backgrounds in medieval studies film studies and medievalism discuss how historical and fictional medieval women have been portrayed on film and their connections to the feminist movements of the 20th and 21st centuries From detailed studies of the portrayal of female desire and sexuality to explorations of how and when these women gain agency these essays look at the different ways these women reinforce defy and complicate traditional gender roles Individual essays discuss the complex and sometimes conflicting cinematic treatments of Guinevere Morgan Le Fay Isolde Maid Marian Lady Godiva Heloise Eleanor of Aquitaine and Joan of Arc Additional essays discuss the women in Fritz Lang's *The Nibelungen* Liv Ullmann's *Kristin Lavransdatter* and Bertrand Tavernier's *La Passion Beatrice*

Malory's Contemporary Audience Thomas Crofts, 2006 This book seeks to place Malory's *Morte Darthur* more firmly in its cultural and historical context Its composition in the mid to late fifteenth century took place at a time of great upheaval for England a period beginning with the loss of Bordeaux and the Hundred Years War and ending with the rise of Richard III During this time the *Morte* was translated from numerous French sources copied by scribes and finally in July 1485 printed by William Caxton The author argues that in this unique production history are reflected the ideological crises which loomed so massively over England's ruling class in the fifteenth century and that the book is in fact inseparable from these crises

BOOK JACKET

magic and alchemy **The Evolution of Arthurian Romance from the Beginning Down to the Year 1300** James Douglas Bruce, 1928 **A Cultural History of Fairy Tales in the Middle Ages** Susan Aronstein, 2021-07-15 How have fairy tales from around the world changed over the centuries What do they tell us about different cultures and societies Spanning the years from 900 to 1500 and traversing geographical borders from England to France and India to China this book uniquely examines the tales told translated adapted and circulated during the period known as the Middle Ages Scholars in history literature and cultural studies explore the development of epic tales of heroes and monsters and enchanted romance narratives Examining how tales evolved and functioned across different societies during the Middle Ages this book demonstrates how the plots themes and motifs used in medieval tales influenced later developments in the genre An essential resource for researchers scholars and students of literature history and cultural studies this volume explores themes including forms of the marvelous adaptation gender and sexuality humans and non humans monsters and the monstrous spaces socialization and power A Cultural History of Fairy Tales 6 volume set A Cultural History of Fairy Tales in Antiquity is also available as a part of a 6 volume set A Cultural History of Fairy Tales tracing fairy tales from antiquity to the present day available in print or within a fully searchable digital library accessible through institutions by annual subscription or on perpetual access see www.bloomsburyculturalhistory.com Individual volumes for academics and researchers interested in specific historical periods are also available digitally via www.bloomsburycollections.com **The Lady's Last Song** Bree Moore, 2022-01-19 A cursed tower A mad queen A kingdom destined to fall Guinevere is losing her mind When a severe injury to her head nearly kills her and awakens alternate personalities suppressed from her past Guinevere learns that one of them is plotting with a knight of the round table to murder King Arthur and take control of Camelot In the midst of a war Guinevere fights to save both her own life and the man she loves each day coming closer to succumbing to the violent personalities within her Fans of Cierce Mists of Avalon and the legends of King Arthur will love this dark Camelot retelling **Selected Works on Celtic Literature, Mythology and History** Various Authors, 1958-01-01 Last year in giving the young ones a volume of English Fairy Tales my difficulty was one of collection This time in offering them specimens of the rich folk fancy of the Celts of these islands my trouble has rather been one of selection Ireland began to collect her folk tales almost as early as any country in Europe and Croker has found a whole school of successors in Carleton Griffin Kennedy Curtin and Douglas Hyde Scotland had the great name of Campbell and has still efficient followers in MacDougall MacInnes Carmichael Macleod and Campbell of Tiree Gallant little Wales has no name to rank alongside these in this department the Cymru have shown less vigour than the Gaedhel Perhaps the Eisteddfod by offering prizes for the collection of Welsh folk tales may remove this inferiority Meanwhile Wales must be content to be somewhat scantily represented among the Fairy Tales of the Celts while the extinct Cornish tongue has only contributed one tale In making my selection I have chiefly tried to make the stories characteristic It would have been easy especially from Kennedy to have

made up a volume entirely filled with Grimm's *Goblins la Celtique*. But one can have too much even of that very good thing and I have therefore avoided as far as possible the more familiar formulae of folk tale literature. To do this I had to withdraw from the English speaking Pale both in Scotland and Ireland and I laid down the rule to include only tales that have been taken down from Celtic peasants ignorant of English. Having laid down the rule I immediately proceeded to break it. The success of a fairy book I am convinced depends on the due admixture of the comic and the romantic. Grimm and Asbjørnsen knew this secret and they alone. But the Celtic peasant who speaks Gaelic takes the pleasure of telling tales somewhat sadly so far as he has been printed and translated. I found him to my surprise conspicuously lacking in humour. For the comic relief of this volume I have therefore had to turn mainly to the Irish peasant of the Pale and what richer source could I draw from. For the more romantic tales I have depended on the Gaelic and as I know about as much of Gaelic as an Irish Nationalist. M. P. I have had to depend on translators. But I have felt myself more at liberty than the translators themselves who have generally been over literal in changing, excising or modifying the original. I have even gone further. In order that the tales should be characteristically Celtic I have paid more particular attention to tales that are to be found on both sides of the North Channel. In re-telling them I have had no scruple in interpolating now and then a Scotch incident into an Irish variant of the same story or vice versa. Where the translators appealed to English folklorists and scholars I am trying to attract English children. They translated I endeavoured to transfer. In short I have tried to put myself into the position of an ollamh or sheenachie familiar with both forms of Gaelic and anxious to put his stories in the best way to attract English children. I trust I shall be forgiven by Celtic scholars for the changes I have had to make to effect this end. The stories collected in this volume are longer and more detailed than the English ones I brought together last Christmas. The romantic ones are certainly more romantic and the comic ones perhaps more comic though there may be room for a difference of opinion on this latter point. This superiority of the Celtic folk tales is due as much to the conditions under which they have been collected as to any innate superiority of the folk imagination. The folk tale in England is in the last stages of exhaustion. The Celtic folk tales have been collected while the practice of story telling is still in full vigour though there are every sign that its term of life is already numbered. The more the reason why they should be collected and put on record while there is yet time. On the whole the industry of the collectors of Celtic folk lore is to be commended as may be seen from the survey of it I have prefixed to the Notes and References at the end of the volume. Among these I would call attention to the study of the legend of Beth Gellert the origin of which I believe I have settled. While I have endeavoured to render the language of the tales simple and free from bookish artifice I have not felt at liberty to retell the tales in the English way. I have not scrupled to retain a Celtic turn of speech and here and there a Celtic word which I have not explained within brackets a practice to be abhorred of all good men. A few words unknown to the reader only add effectiveness and local colour to a narrative as Mr Kipling well knows. One characteristic of the Celtic folk lore I have endeavoured to represent in my selection because it is nearly unique at the

present day in Europe Nowhere else is there so large and consistent a body of oral tradition about the national and mythical heroes as amongst the Gaels Only the byline or hero songs of Russia equal in extent the amount of knowledge about the heroes of the past that still exists among the Gaelic speaking peasantry of Scotland and Ireland And the Irish tales and ballads have this peculiarity that some of them have been extant and can be traced for well nigh a thousand years I have selected as a specimen of this class the Story of Deirdre collected among the Scotch peasantry a few years ago into which I have been able to insert a passage taken from an Irish vellum of the twelfth century I could have more than filled this volume with similar oral traditions about Finn the Fingal of Macpherson s Ossian But the story of Finn as told by the Gaelic peasantry of to day deserves a volume by itself while the adventures of the Ultonian hero Cuchulain could easily fill another I have endeavoured to include in this volume the best and most typical stories told by the chief masters of the Celtic folk tale Campbell Kennedy Hyde and Curtin and to these I have added the best tales scattered elsewhere By this means I hope I have put together a volume containing both the best and the best known folk tales of the Celts I have only been enabled to do this by the courtesy of those who owned the copyright of these stories Lady Wilde has kindly granted me the use of her effective version of The Horned Women and I have specially to thank Messrs Macmillan for right to use Kennedy s Legendary Fictions and Messrs Sampson Low Co for the use of Mr Curtin s Tales In making my selection and in all doubtful points of treatment I have had resource to the wide knowledge of my friend Mr Alfred Nutt in all branches of Celtic folk lore If this volume does anything to represent to English children the vision and colour the magic and charm of the Celtic folk imagination this is due in large measure to the care with which Mr Nutt has watched its inception and progress With him by my side I could venture into regions where the non Celt wanders at his own risk

King Arthur Edward Donald Kennedy,2013-10-18 Examining the origins of the Arthurian legend and major trends in the portrayal of Arthur from the Middle Ages to the present this collection focuses on discussion of literature written in English French Latin and German Its 16 essays four published here for the first time deal with such matters as the search for the historical Arthur the depiction of Arthur in the romances Erec and Iwein of Hartmann von Aue the way Arthur is depicted in 19th century art and the Victorian view of manhood and conceptions of King Arthur in 20th century literature Six of the essays originally published in French and German are translated into English especially for this book Two essays have been substantially revised An introduction offers a general discussion of the development of the legends in the countries of Europe Works discussed include medieval and Renaissance chronicles Geoffrey of Monmouth s *Historia Regum Britanniae* Wace s *Roman de Brut* Polydore Vergil s *Anglica Historia* Scottish vernacular and Latin chronicles medieval romances the *Lancelot en prose* the *Mort Artu* the *Post Vulgate Roman du Graal* and works of Chr tien de Troyes Hartmann von Aue and Sir Thomas Malory Spenser s *Faerie Queene* Tennyson s *Idylls of the King* and T H White s *Once and Future King* A bibliography lists selected major secondary studies of King Arthur as well as major reference works

Buried Secrets Evelyn Foster,AI,2025-02-26 *Buried Secrets* explores the intriguing

relationship between history and legend revealing how enduring tales of hidden relics lost civilizations and buried riches often stem from actual events The book delves into the factual foundations of myths examining real world events archaeological discoveries and historical figures that inspired them It highlights the Ark of the Covenant Excalibur Atlantis and El Dorado among others to demonstrate how legends preserve cultural memory and encode historical realities within embellished narratives The book uniquely deconstructs popular legends by combining rigorous historical analysis with insights from archaeology and folklore studies It unfolds in three parts quests for tangible artifacts tales of lost civilizations and the pursuit of hidden wealth By examining the historical context archaeological evidence and psychological factors driving these narratives Buried Secrets reveals the potential truths concealed within layers of embellishment It also considers practical elements like cultural memory and treasure hunting while emphasizing the importance of ethical and legal frameworks in archaeology Buried Secrets offers a systematic exploration of historical mysteries cultural memory and the enduring power of legends It is a valuable resource for history enthusiasts travelers and anyone captivated by the intersection of myth and reality providing a fresh perspective on some of history's most captivating stories

The Origins of English Words Joseph Twadell Shipley, 2001-07-01 There are no direct records of the original Indo European speech By comparing the vocabularies of its various descendants however it is possible to reconstruct the basic Indo European roots with considerable confidence In *The Origins of English Words* Shipley catalogues these proposed roots and follows the often devious always fascinating process by which some of their offshoots have grown Anecdotal eclectic and always enthusiastic *The Origins of English Words* is a diverting expedition beyond linguistics into literature history folklore anthropology philosophy and science

Doing What Historians Do: Reading, Researching, and Writing History John Marshall Carter, 2009-06-06 This book is for teachers of history and social studies in grades 6-12 It would also be useful on a college or university reading list for social studies methods
