must surely be one of the most romantic and dramatic epics of the last one hundred and fifty years yet nowadays she is a woman unknown. She was a renowned beauty with a sharp intelligence and over the years she would exploit her charismatic charm first as a teenager to entice a wealthy lover and subsequently to lead three husbands to the altar. She was an ardent and productive campaigner for women's rights conducting outstanding works of charity during the Great War such as providing a convalescent home for nurses returning from the front line. In recognition of these endeavours she was made a Dame of the British Empire in 1917. After the death of her third husband, a known misogynist under mysterious circumstances, she was temporarily certified mad but his Will was to make her the richest woman in England. During the rest of her eventful and eccentric lifetime she spent her fortune on a vast number of charitable causes whilst waging a feisty political campaign against weak British politicians of all parties. As a great admirer of how Mussolini had restored Italy's patriotic self-esteem she championed men like Winston Churchill as the future saviour of her own beloved country. But her greatest legacy arose from her steadfast support for the Royal Air Force whose finances were being crippled. She funded the 1931 Schneider Trophy Race as well as the Houston Mount Everest Expedition of 1933. This funding had a crucial bearing on the development of the Merlin engine and the Spitfire aircraft, essentially kick-starting the chain of events that would ultimately end in allied victory during the Battle of Britain. She died before the cataclysmic war that she so accurately predicted, however her death being precipitated by an infatuation with Edward Prince of Wales. In spite of her many eccentricities, the enchanting, infuriating, inspiring and endlessly controversial Lucy Houston deserves to be remembered as a very patriotic lady indeed. *The Sphere*, 1903

[The Contemporary Woman](#) Michele Guinness, 2021-04-15 At a time when the status of women is still being debated and challenged, how can women play a leading role in society, the workplace and the church? Michele Guinness has been there and done that, not without opposition and not without compromise. In this all-embracing, honest reflection on womanhood, Michele uses her own upbringing in the Jewish community to re-examine the views and counterviews on the role of women throughout the Christian tradition and culture, drawing inspiration from scripture, history and personal experience. *The Contemporary Woman* celebrates a host of women through the ages, from the great biblical matriarchs to the modern-day trailblazers who have inherited a passionate determination to pursue God's radical call. Michele will encourage women everywhere, of every age, to follow their hearts and inspire a new generation to discover what it means to be a woman. J. Guinness Rogers James Guinness Rogers, 1903

[Frank Leslie's Ladies' Magazine](#) Frank Leslie, 1862 *My Family's Other Recipes* Ian Nunn, 2011-12-01. Bullied by his second daughter into putting the family's favourite recipes into book form, this subject became a sub-theme in what turned out to be an autobiography, but one written about an ordinary life, although with an ability to find the humorous side of most events. For serious foodies, this book may be a little thin on content, but there are some interesting pieces of food history, and it is very much a personal view of the last sixty years. The book is set out in four sections based loosely on four periods of the author's life, and given titles based on a four-course meal of hors d'oeuvres, fish, meat, and dessert: entitled *horses doovers*, *fishy tales*, *butcher's meat*, and *just desserts*. If you want a relaxing read on an inconsequential life which may make you smile, buy this book. If you want a serious cookery book or autobiography of someone famous or important, then you will have to look elsewhere. What does come through is here is a book written by a guy with a love of life, a beard more appropriate to a mad badger, and a slightly quirky sense of humour, who writes for his own enjoyment, but with a warmth others may find undemanding.
