**Lustful Appetites** Rachel Hope Cleves, 2024-11-18. We take the edible trappings of flirtation for granted: chocolate covered strawberries and romance oysters on the half shell and desire the eggplant emoji and a suggestive wink. But why does it feel so natural for us to link food and sexual pleasure? Rachel Hope Cleves explores the long association between indulging in good food and an appetite for naughty sex from the development of the Parisian restaurant as a place for men to meet with prostitutes and mistresses to the role of sexual outlaws like bohemians, new women, lesbians and gay men in creating epicurean culture in Britain and the United States. Taking readers on a gastronomic journey from Paris and London to New York, Chicago and San Francisco, *Lustful Appetites* reveals how this preoccupation changed the ways we eat and the ways we are intimate while also creating stigmas that persist well into our own twenty-first century.

*Alice's Erotic Adventures in Wonderland* Cherie Wilde, 2025-09-08. The Mad Hatter turned his gaze to Alice who still fought to catch her breath, her mind struggling to comprehend what he proposed through the haze of pleasure that had enveloped her. "What say you dear Alice," he continued. "Would you have us all at once? Every entrance claimed every part of you, filled to overflowing with our particular brand of madness. The meaning of his words slowly penetrated Alice's pleasure-fogged mind, bringing with it a fresh wave of arousal. The thought of all three men taking her simultaneously, of being so completely filled, so thoroughly claimed, sent a shiver of anticipation racing through her overwrought body. Yes, she gasped, the word emerging breathless yet certain. "Oh yes please. All of you together." She reached for the Mad Hatter's hand, squeezing it with surprising strength given her exhaustion. "Show me everything I want to feel, everything. Follow Alice down the rabbit hole into a realm that is playful, sensual and utterly unlike the one you remember. Now a radiant young woman of twenty, Alice is curious not just about the world around her but about the desires awakening within her. In this provocative reimagining of the timeless classic, every character Alice encounters

tempts her deeper into hedonistic self discovery The enigmatic White Rabbit introduces her to the delights of submission the teasing Cheshire Cat stirs her senses with vanishing touches and the infamous Mad Hatter s tea party becomes a decadent prelude to pleasures beyond imagination Even the Queen of Hearts commands her court with a deliciously dangerous mix of authority and seduction This is an adults only journey where fantasy and sensuality entwine Rich in whimsy ripe with temptation and delightfully daring Alice s Erotic Adventures in Wonderland invites readers to experience a story that is at once recognisable and thrillingly transformed Lose yourself in a dreamscape where inhibitions vanish curiosity is rewarded and every page hums with forbidden delight Wonderland is waiting more mysterious more enchanting and far more delicious than you could possibly imagine

**The Erotic Confessions of Cinderella** Cherie Wilde,2025-03-21 Cinderella her golden tresses wild from her recent tryst glided across the ballroom floor The scene around her continued to unfold with the debauched elegance befitting the kingdom of Amoria a bacchanal tapestry woven with threads of lust and abandon Moans and cries harmonised with the distant strains of violins as bodies undulated in rhythmic sin Men and women adorned with nought but sweat and shadows cavorted under the flickering candlelight that cast their writhing silhouettes against marble walls In the wickedly decadent kingdom of Amoria pleasure isn t just embraced it s expected The royal palace is a den of indulgence where bodies entwine to celebrate desire and excess But for Cinderella trapped beneath the cruel rule of her stepmother and stepsisters the world of silk sheets and heated whispers is just out of reach She spends her days scrubbing floors and biting her tongue but her nights They belong to stolen moments in the shadows tangled in the arms of eager lovers who know just how wild she can be Then comes the invitation the event of the year a palace orgy dripping in excess and carnal indulgence With the help of a sultry fairy godmother with magic as dark as her desires Cinderella arrives not as a trembling maiden but as a woman ready to be devoured Dante the crown prince notorious for his carnal appetites has never met a challenge like her But Cinderella isn t just here to be conquered she s here to seduce take and shatter expectations But at dawn she vanishes into the night leaving him hungry desperate and obsessed Now the Prince will stop at nothing to find Cinderella And when he does This time he won t let her go This isn t the Cinderella you grew up with This is a fairy tale for the daring and wicked

**The Erotic True Story of Beauty and The Beast** Cherie Wilde,2025-02-19 Elle flushed with a feverish anticipation sprawled across the oak table With a carefree giggle she arched her back and the remains of their feast clattered to the stone floor It was a symphony of chaos each porcelain shard and silver utensil heralding the carnal rapture to come The beast towered above her his chest heaving with a hungry intensity that mirrored the wild thrum of her heart Impatience clawed at him an untamed creature desperate for release With a growl that resonated through the castle walls he tore at the fine fabric of his garments shredding it from his body as if it were mere parchment Buttons flew like glistening jewels his breeches succumbing to his fervent urgency and at last he stood revealed a portrait of raw virility and primal desire This is not the fairy tale you grew up with This is a story of sinful pleasures untamed passion and a castle filled with

wicked temptations When Elle Rousseau sacrifices herself to the Beast to save her father she expects cold dungeons and lonely nights Instead she s thrust into a world of forbidden indulgence and dark aching desire The Beast is a brooding devastatingly powerful creature of raw masculinity dark desires and no mindless monster His presence commands submission his voice is a growl of temptation and his touch is enough to set Elle s body aflame But he s not the only distraction Elle faces His mischievous household staff including a dominating gardener a sultry maid and a well endowed butler ensure that life at the castle is never dull And when three raunchy fairies get involved things take an outrageously sinful turn Lush decadent and deliciously sinful The Erotic True Story of Beauty and The Beast is a tale for those who want heat romance and untamed passion in equal measure This is not a children s story this is a fairy tale meant to be devoured after dark

**Pussy in Boots** Cherie Wilde, Isabella knew with a certainty that bordered on the divine that this orgasm would eclipse all others a cataclysmic event that would shatter her very being Yet she held back savouring the mounting pressure the delicious tension that wound tighter with every motion She hovered on the precipice teetering on the edge of oblivion her entire world reduced to the pulsating heat between her thighs and the relentless pursuit of a pleasure so intense it threatened to consume her whole And as she writhed in the sweet

hay her climax finally burgeoned beyond the bounds of restraint A surge of ecstasy hot fierce and unyielding tore through Isabella with the ferocity of a storm ravaging the Velderia coast Her back a curve as elegant as an archer s bow arched from the earthy bed while a scream of ecstasy was torn from her lips raw and untamed echoing off the weathered timber walls of the barn She shook her limbs convulsed in rapture each tremor a testament to the power of the enchanted boots Pussy in Boots is a deliciously raunchy fairy tale romp where magic mischief and seduction collide When sultry young Isabella inherits a pair of enchanted boots she discovers their wicked secret they make her utterly irresistibly desirable to men women mortals and magical creatures alike With a swish of her hips and a knowing smile Isabella leaves her sleepy home and sets off into the kingdom of Velderia in search of adventure and fortune armed with nothing but her wits allure and her scandalously powerful boots From bewitching a band of lusty brigands into abandoning their wicked ways to liberating a flirtatious ghost with unfinished business Isabella s adventures are as steamy as they are clever Deep within a shadowy labyrinth she shares an unforgettable tryst with a well endowed bestial Minotaur whose appetite rivals hers And in a damp echoing cave she uses invisible seduction and quick wit to outsmart a randy ogre and rescue a helpless but not so innocent princess But her greatest challenge lies ahead preventing a war between two powerful kingdoms where diplomacy might mean sharing a bed instead of a battlefield With her enchanted boots irresistible allure and a few naughty tricks Isabella will try to save the realm and enjoy every minute of it A scandalously spicy fantasy for grown up lovers of erotic fairy tales from the author of The Erotic True Story of Beauty and The Beast and The Erotic Adventures of Snow White
