

There is a new Government grant scheme with £4 billion of grant funding available for UK households that rent their property from a private landlord. The ECO4 grant scheme targets inefficient properties where households need assistance. The least efficient properties get the most funding and the grants are very generous for the properties that qualify (worth up to £1,000 per property).

**Keywords:** child sexual abuse; disclosure; social support

North are suitable for traditional housing. In most cases, such areas will not require to be built.
