

Introduction - Grade 9 English–Language Arts

The following released test questions are taken from the Grade 9 English–Language Arts Standards Test. This test is one of the California Standards Tests administered as part of the Standardized Testing and Reporting (STAR) Program under policies set by the State Board of Education.

All questions on the California Standards Tests are evaluated by committees of expert experts, including teachers and administrators, to ensure their appropriateness for measuring the California students' content standards for Grade 9 English–Language Arts. In addition to content, all items are reviewed and approved to ensure their adherence to the principles of fairness and to ensure no bias exists with respect to characteristics such as gender, ethnicity, and language.

This document contains released test questions from the California Standards Test forms in 2003, 2004, 2005, 2006, 2007, and 2008. Found on the pages that follow are lists of the standards assessed on the Grade 9 English–Language Arts Test. Next are released passages and test questions. Following the questions is a table that gives the correct answer for each question, the correct standard that each question is measuring, and the year each question last appeared on the test.

The following table lists each reporting cluster, the number of items that appear on the tests, and the number of released test questions that appear in this document.

STRAND/REPORTING CLUSTER	NUMBER OF QUESTIONS ON EXAM	NUMBER OF RELEASED TEST QUESTIONS
• Word Analysis	4	11
• Reading Comprehension	18	27
• Literary Response and Analysis	16	20
• Writing Strategies	29	25
• Writing Conventions	12	25
TOTAL	79	118

In selecting test questions for release, CDE efforts are aimed: (1) the questions adequately cover a selection of the students' content standards assessed on the Grade 9 English–Language Arts Test; (2) the questions demonstrate a range of difficulty; and (3) the questions present a variety of ways standards can be assessed. These released test questions do not reflect all of the ways the standards may be assessed. Released test questions will not appear on future tests.
