Sergeant O'Leary and the L.A.P.D Tom Swicegood, 2013-09-17 Dangers and conflict are faced by police officers everywhere In a huge metropolis those threats are multiplied Law enforcement must depend upon dedicated men and women bravely working together to keep each other safe Or so one might expect Sergeant OLeary and the L A P D tells a different story This is the truth authorities in the City of Angels did not want printed It is the story of a Los Angeles police officer who battled internal harassment and threats to his life yet refused to be run out of the L A P D Why was Sergeant OLeary faced with such problems Because other police officers thought he was gay I better never have to work with a queer If I do Ill wait until some night when theres a burglary call and were in a dark building states a Los Angeles patrolman My 45 will accidentally take

care of him One shot to the head No more fag No more problem This will be a better world Such threats are not idle Homophobic officers provide drama and suspense Uncontrolled cops in Rampart Division beat Hispanics and blacks There are gunfights in 77th and a storm at Venice Beach Yet parts of OLearys story are genuinely funny Here are tales of a deer shot and killed in the bloody back seat of a speeding patrol vehicle of a too generously endowed academy recruit of cops playing chicken with squad cars in Beverly Hills after midnight and married men in blue looking for easy dates Its all entertaining

The Public Nature of Private Property Professor Michael Diamond, Professor Robin Paul Malloy, 2013-02-28 What exactly is private property Or to ask the question another way what rights to intrude does the public have in what is generally accepted as private property The answer perhaps surprisingly to some is that the public has not only a significant interest in regulating the use of private property but also in defining it and establishing its contour and texture In The Public Nature of Private Property therefore scholars from the United States and the United Kingdom challenge traditional conceptions of private property while presenting a range of views on both the meaning of private property and on the ability some might say the requirement of the state to regulate it

Baby, You are My Religion Marie Cartier, 2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My Religion examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall

POV Horror Duncan Hubber, 2023-11-23 Drawing together strands of film theory and psychology this book offers a fresh assessment of the found footage horror subgenre It reconceptualizes landmark films including The Blair Witch Project 1999 Cloverfield 2008 Paranormal Activity 2009 and Man Bites Dog 1992 as depictions of the lived experience and social legacy of psychological trauma The author demonstrates how

the frantic cinematography and ambiguous formulation of the monster evokes the shocked and disoriented cognition of the traumatized mind Moreover the frightening effect of trauma on society is shown to be a recurring theme across the subgenre Close textual analysis is given to a wide range of films over several decades including titles that have yet to receive any academic attention Divided into four distinct sections the book examines how found footage horror films represent the effects of historical and contemporary traumatic events on Western societies the vicarious spread of traumatic experiences via mass media the sublimation of domestic abuse into haunted houses and the viewer's identification with the monster as an embodiment of perpetrator trauma

Policing Public Disorder David Waddington, 2013-05-13 This book draws on a wide range of studies of collective conflict and the policing of crowds and social movements to provide an understanding of the causes and management of public disorder It seeks to describe and explain the processes by which the police interpret and respond to instances of public disorder to account for variations in their strategies and tactics and to identify the conditions in which police interventions or inaction may serve to enhance or reduce the potential for wider confrontation In addition to providing a penetrating review and critique of relevant theory the author employs a combination of existing studies and first hand research to explore the lessons both practical and theoretical of recent examples of British and American urban disorders the policing of worldwide anti globalisation protests such as the British G8 protests of 2005 and the activities of British football fans abroad between 1990 and 2006 These case studies are brought together to provide an engaging and sharply focused explanation and evaluation of contemporary police methods for avoiding or controlling public disorder Policing Public Disorder will be essential reading for anyone with an interest in policing crowd behaviour and issues around public order and disorder

American Homicide Richard M. Hough, Kimberly D.
