Morris Telford's Salopian Odyssey (Hc) Russell Payne,2010-03-07 It started out as an online diary on the BBC Shropshire website A thirty three year old man obsessed with Bingo stationary and Countdown living with his Mother in a small village He decides to quite his job take his life savings and embark on a worldwide quest to convince everybody outside Shropshire that if they lived life like the people in his village do they would be much happier It sounds naive but he managed
