Manifested Sons of God Manual Curry Blake,2015-01-15 **THE MANIFESTATION OF THE SONS OF GOD**

GODSWORD GODSWILL ONU,2015-03-04 Sons of God have grown in the Lord and they are no more babies infants or boys and sons of God are led by the Spirit of God They obey the Word of God and have close relationship with God They know God and understand His Will and Ways We are supposed to be different from the people of the world and we are supposed to prove to them that we are the Offsprings of God and carry the ability that they don t carry To begin with we should not speak the way they speak even if things seem to be hopeless we should speak forth words of faith As we demonstrate the Spirit and power and live supernaturally and extra ordinarily we show the world that we are the sons of God Let your light so shine before men that they may see your good works and glory your Father in Heaven Speaking in Tongues: A Critical

Historical Examination Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin **COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology ,**

Post-Charismatic Robby McAlpine,2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin Join me will you It s like we re caught between a rock and a hard place We re continuationists We believe all the gifts of the Holy Spirit are alive and well and essential for today But we ve also been burned by unbiblical teachings spiritual abuse and the gaslighting subculture of pneuma fomo fear of missing out on the next great move of the Spirit We yearn for the Spirit s presence and power in our lives We don t want to throw the baby out with the bathwater but the water s teeming with spiteful pathogens It s time to roll up our sleeves and take responsibility for disinfecting the tub Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long Our Kairos moment has arrived Let s hone the charismata of discernment **The Cure for Common Christianity** Tommy Galloway,2007-04 Jesus stated that with faith in Him we would accomplish greater things than He Jesus saved the lost healed the sick ministered to the multitudes and raised

the dead Accordingly the modern church should be doing much more So what s the problem Why do we fall short of our Savior s standard Quite bluntly Christianity has caught a chronic case of apathy In *The Cure for Common Christianity* using a command of theology and a unique witty writing style Pastor Tommy Galloway outlines the formula to alleviate this Church crisis The problems are complex and the symptoms are multi faceted the cure is simple a full fledged return to the basics of Christianity The world is disillusioned by the corruption and complacency plaguing our houses of worship Christians cannot waste time A spiritually sick world is waiting for a healthy Church to offer hope They are waiting for *The Cure for Common Christianity* Pastor Tommy Galloway began his ministry at age sixteen Upon completion of high school in Calhoun City Mississippi he attended Jackson College of Ministries and received a degree in Theology He served as Youth Pastor in Longview Texas before beginning evangelistic work throughout the United States In 1984 he married Candace Greene They continued evangelistic work until 1988 when they were elected pastors of Powell s Grove Pentecostal Church in Jayess Mississippi After pastoring there for six years they moved to Tupelo Mississippi in 1994 to begin evangelistic work again In 1996 they founded Word of Life Church where they still serve as Senior Pastors Pastor Tommy s vision is Lead Locally Reach Regionally and Grow Globally Although pastoring the phenomenal people of Word of Life Church is his first calling he still ministers at evangelistic crusades throughout America and other countries Tommy and Candi have three children Landon Kristian and Alexis

The Manifested Sons of God John Franco,2013-06 If you will search within yourself you will find that within you there is a hunger for the supernatural Not only to witness it but also to participate in its performance How many times have you thought that there must be more to life The work routines the laundry baskets filing taxes We all feel a need to find fullness and meaning rather than merely existing We reach out into the universe for a better state of being we feel an unidentified pull that is outside of what we are familiar with Worst of all is that we are Christians and we have heard so much about how life with God is supposed to be a kaleidoscope of extraordinary experiences The Bible is full of adventure danger intrigue and one story after another of how God s children stood out amongst the inhabitants of the earth We look at our stories only to see how commonplace and redundant our church goings and comings can be John Franco will open your mind to the ways of thinking that keep you in motion but offers much momentum With God inspired exposition on the inheritance of power and authority Jesus gave us Franco shows that living out our salvation in all its glory is as much about our choices as making the decision for Christ in the first place There will always be things that get us down but with the right perspective even the negative aspects of life can be utilized to further our growth The Almighty s forgiveness and healing work all things for our good Break out of the monotony and inactivity step up to the plate armed with God s word about who you are and what you can do then knock this life out of the park

Star Wars: Engaging the Heavens in End-Time Warfare Oluwadare Adebajo (author),2021-03-11 Our world is hurtling towards a momentous climax The opposing hordes of darkness are fighting for their very lives with all the bitterness and defiance they can muster because they realize that the

close of the age is upon them As they draw upon their last reserves of strength the methods and measures of warfare that the Church has known are being stretched thus the Church must be equipped with the knowledge of the kind of warfare this season calls us to and what weapons we have been provided with by heaven to rout the enemy and his minions Star Wars Engaging the Heavens in End time Warfare is a word in season that unpacks the counsel of God for believers to arise in the glory and power of Christ s ordination and release the judgement written upon all the enemies of God The author through this book unveils deep mysteries that are set to cause a major shift redefine spiritual warfare and recalibrate the church into alignment with her destiny as was determined before the fall of creation The book goes into the heart of the Father to download from the original blueprint of creation that mankind deviated from when Adam fell from glory heights It stirs and redirects the heart of the reader away from the activities of the old wineskin which are not rooted in the pursuit of kingdom purpose and destiny fulfilment to focused alignment with kingdom activities that fulfil destiny as originally intended by God
