

# PEER REVIEW GUIDELINES

## START WITH POSITIVITY

Begin by highlighting what works well in the piece. Positive feedback sets a constructive tone while fostering belief in oneself as a writer.

1

2

## BALANCE IS KEY

Strive for a balance between pointing out strengths and suggesting areas for improvement to motivate growth while acknowledging the writer's efforts.

## GET SPECIFIC

Offer specific examples and suggestions rather than general comments. This helps the writer pinpoint exactly what needs attention and how to enhance it.

3

4

## RESPECT INDIVIDUAL VOICES

Encourage students to respect each other's writing style and voice. Peer review is about improving without imposing personal preferences.

## TONE MATTERS

Emphasize the importance of delivering feedback respectfully and kindly. Constructive criticism should always be framed with empathy and understanding.

5
