William R. Hersh, Robert E. Hoyt, 2018 Health informatics is the discipline concerned with the management of healthcare data and information through the application of computers and other information technologies. The field focuses more on identifying and applying information in the healthcare field and less on the technology involved. Our goal is to stimulate and educate healthcare and IT professionals and students about the key topics in this rapidly changing field. This seventh edition reflects the current knowledge in the topics listed below and provides learning objectives, key points, case studies, and extensive references. Available as a paperback and eBook. Visit the textbook companion website at <http://informaticseducation.org> for more information. Page 4 de la couverture

Official (ISC)2 Guide to the HCISPP CBK Steven Hernandez, 2018-11-14 HealthCare Information Security and Privacy Practitioners HCISPPSM are the frontline defense for protecting patient information. These are the practitioners whose foundational knowledge and experience unite healthcare information security and privacy best practices and techniques under one credential to protect organizations and sensitive patient data against emerging threats and breaches. The Official ISC 2 R Guide to the HCISPPSM CBK R is a comprehensive resource that provides an in-depth look at the six domains of the HCISPP Common Body of Knowledge (CBK). This guide covers the diversity of the healthcare industry, the types of technologies and information flows that require various levels of protection, and the exchange of healthcare information within the industry, including relevant regulatory compliance and legal requirements. Numerous illustrated examples and tables are included that illustrate key concepts, frameworks, and real-life scenarios. Endorsed by the ISC 2 and compiled and reviewed by HCISPPs and ISC 2 members, this book brings together a global and thorough perspective on healthcare information security and privacy. Utilize this book as your fundamental study tool in preparation for the HCISPP certification exam.
