Analytical Essays on Music by Women Composers Laurel Parsons, Brenda Ravenscroft, 2016 *Analytical Essays on Music by Women Composers* Concert Music 1960 2000 is the first to appear in an exciting four volume series devoted to the work of women composers across Western art music history Featuring rich analyses and detailed study by the most reputed music theorists in the field along with brief biographical sketches for each composer this collection brings to the fore the essential repertoire of a range of important composers many of whom otherwise stand outside the standard canon *Tears into Wine*

Eric Chafe, 2015-05-01 In 1714 the 29 year old Johann Sebastian Bach was promoted to the position of concertmaster at the ducal court of Weimar This post required him for the first time in his already established career to produce a regular stream of church cantatas one cantata every four weeks Among the most significant works of this period is Ich hatte viel Bekummernis in meinem Herzen Cantata 21 Generally known in English as I had much affliction Cantata 21 draws from several psalms and the Book of Revelations and offers a depiction of the spiritual ascent of the soul from intense tribulation to joy and exaltation Although widely performed and loved by musicians Cantata 21 has endured much criticism from scholars and critics who claim that the piece lacks organizational clarity and stylistic coherence In *Tears into Wine* renowned Bach scholar Eric Chafe challenges the scholarly consensus arguing that Cantata 21 is an exceptionally carefully designed work and that it displays a convergence of musical structure and theological purpose that is paradigmatic of Bach's sacred work as a whole Drawing on a wide range of Lutheran theological writing Chafe shows that Cantata 21 reaches beyond the scope of the individual liturgical occasion to voice a breadth of meaning that encompasses much of the core of Lutheran thought Chafe artfully demonstrates that instead of simply presenting a musical depiction of the soul's journey from sorrow to bliss Cantata 21 expresses the various stages of God's revelation and their impact on the believing soul As a result Chafe reveals that Cantata 21 has a formal design that mirrors Lutheran belief in unfolding revelation with the final movement representing the work's crown the goal toward which all of the earlier movements are directed Complete with full text translations of the cantata and the liturgical readings that would have accompanied it at the first performance *Tears into Wine* is a monumental book that is ideally suited for Bach scholars and students as well as those generally interested in the relationship between theology and music *A Handbook of Rome and Its Environs; Forming Part II. of the Handbook for Travellers in Central Italy. Fifth Edition of the Work Originally Written by Octavian Blewitt, Carefully Revised on the Spot, and Considerably Enlarged, Etc* John Murray (Firm), 1871

Huizenga,2019-11-01 Behold the Christ Proclaiming the Gospel of Matthew by Leroy A Huizenga reveals the significance of St Matthew s Jesus He is Emmanuel God with us always who saves his people from their sins by dying for them In showing how Jesus fulfilled the Old Testament gave us a way to live and taught us how to follow the narrow way to the kingdom of heaven St Matthew modeled the fourfold way of reading Scripture according to letter and spirit Above all St Matthew s Gospel presents Jesus Christ founding the Catholic Church as a robust rigorous religion with rich rituals chiefly the sacrificial Eucharist as sustenance on the narrow way to heaven Jesus demands much of his Church but the same Jesus who commands his Church also promises and delivers much above all himself Keyed to the lectionary and featuring a section on the relevance of St Matthew s Gospel for our contemporary age Behold the Christ will make the Gospel and indeed the Faith real to today s readers Johann Sebastian Bach Christoph Wolff,2002 Now available in paperback this landmark biography was first published in 2000 to mark the 250th anniversary of J S Bach s death Written by a leading Bach scholar this book presents a new picture of the composer Christoph Wolff demonstrates the intimate connection between Bach s life and his music showing how the composer s superb inventiveness pervaded his career as a musician composer performer scholar and teacher *They Shimmer Within: Cognitive-Evolutionary Perspectives on Visionary Beings* Bruce Rimell,2018-01-19 The use of psychedelic drugs plants is rising and with it the number of reports narrating encounters with otherworldly visionary beings Approaches to these experiences have often been literal archetypal or dismissive Evolutionary psychology and the

cognitive science of religion suggest innate and non imagistic mental foundations for these phenomena arising from easily triggered evolutionary functions during emotive periods of high cognitive demand Such functions include agent detection social intelligence faculties and metacognition This wide ranging book explores how our deepest mental processes predispose us as humans to believe in supernatural agents and presents a new hypothesis of how these same cognitions facilitate the emergence of those agents to become present when psychedelic drugs and plants are ingested Bruce concludes that visionary beings shimmer within as awe inspiring products of the mind an experience which rests at the heart of what it is to be human
