Books This isn't just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It's a fantastic mix of romance against a legal story with danger lurking around every corner. There are high speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It's a book that should interest a broad spectrum of readers. Night Owl Reviews 4.75 out of 5. Reviewer Top Pick. LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word. Wild on Books 4.5 Bookmarks. Marie Force really has a knack for getting the reader emotionally involved with her characters. I felt the same way when I read Line of Scrimmage and Love at First Flight is no exception. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling. Book Binge. What I really liked about these two characters is the way they take care of each other. There is an art to that. To doing small things for each other without thinking with pleasure even because you know the other will appreciate it. Julianna is a nurturing person with everyone around her and that's just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it and some space to be an adult even when he would prefer to get closer. AlphaHero *Renewal After Dark* Marie Force, 2024-07-30. The storm has passed but the hard work is just beginning. Gansett Island has withstood the fury of Hurricane Ethel and now the cleanup is underway for many islanders including McKenzie Martin who barely escaped the storm with her life and that of her son Jax. After Police Chief Blaine Taylor rescued them and brought them to his home, her island neighbor Duke Sullivan showed up with belongings he collected from the collapsed cottage she recently inherited from her grandmother. When Duke invites McKenzie to use his empty garage apartment while she figures out her next moves, McKenzie is thankful for his offer and his friendship as she navigates the complexities of rebuilding on an island. Duke is smitten by his old friend Rosemary's granddaughter, the loveliest woman he's ever met. But what would she want with a long haired tattooed dude like him who's nine years older than her and more than a little rough around the edges. Turns out she's quite enchanted by the man she refers to as a unicorn. Not only is he sexy, thoughtful and funny, he's also kind, which is the most important quality to her after encountering too many selfish men who disappointed her, especially Jax's father who's about to hear from McKenzie's new lawyer Kendall James, sister to Jared Quinn and Cooper. As the friendship between Duke and McKenzie deepens, other islanders are caught up in the search for two missing men, one of whom has deep ties to several longtime residents. Others are dealing with the emotional fallout from their close calls during the storm. In good times and in bad, island residents come together to support each other and to rebuild their beloved community. [Gansett Island Boxed Set Books 17-20](#) Marie Force, 2020-06-19.
