A man and a woman are walking away from the camera in a field of tall, golden grass. The man is on the left, wearing a blue denim shirt and jeans, looking back over his shoulder at the woman. The woman is on the right, wearing a white t-shirt and a black and white checkered skirt, looking back at the man. They are holding hands. In the background, there are several large, round hay bales under a clear blue sky.

Frank,1998-08-20 Who was the Victorian patriarch and what kind of father was he In this richly documented study Stephen M Frank presents the first account of nineteenth century family life to focus on the role of fathers Drawing on letters diaries memoirs and other primary sources Frank explores what fathers thought about their family responsibilities and how men behaved as parents His findings are often surprising Beneath the stereotype of the starched Victorian patriarch he discovers fathers who were playful demanding uncertain of their authority and deeply anxious about their children s prospects in a rapidly changing society men with strikingly modern attitudes toward parenthood Focusing on Northern middle class families he also uncovers the social origins of the family man ideal and explores how this standard of middle class propriety found its way into practice Life with Father looks beyond the well known nineteenth century fascination with motherhood to discover a social order that valued a father s care no less than a mother s love as a basis for stable family relationships This compelling social history engages readers with the story of how families in the past struggled with economic and social changes that required fathers to reassess themselves as parents and as men Lycan King Ali_M, Your mate was the last piece to the puzzle I sent my men there to kill her while you were busy fighting with the alphas I knew once she was dead you would be blinded by rage throwing off those sharp scenes of yours leading you right into my trap I may not be strong enough to kill you yet but this silver box is strong enough to lock you away forever Maybe the others are okay with bowing down to you but I bow down to no one I m the alpha of alphas I m the new king I m the alpha king He growls out from the other side of this silver box I let out a loud roar causing Tim to back away from me covering his ears I m going to kill all of you I roar out as I start to claw and punch the wall of the silver box trying to get out Betrayed by the wolves They took everything away from him His mate family and friends They locked him away inside a silver box to live out the rest of his days All he wants is to make them pay but once he s finally get free he s in for a big surprise The Quest for Self Takeshi Iizuka,1995-06 The principles of Zen philosophy have been applied to professions as varied as motorcycle maintenance and baseball In The Quest for Self author Takeshi Iizuka shows how he has himself applied Zen principles in business Iizuka starts from the realization that life is but a single existence and this leads to his reflections about how best we should live our lives Iizuka teaches a management style that does not stand in conflict with the fulfilled and meaningful life that is based on Zen principles Drawing on both eastern and western philosophies The Quest for Self strives to help others find meaning and purpose in life and business
