

A young man and woman are lying on their stomachs on a grassy field. The man is on the left, wearing a grey t-shirt, and the woman is on the right, wearing a white tank top. They are both looking at each other with their faces very close, as if about to kiss. The background is a soft-focus green field.

Life on the 64 Bus Brad C. Hodson, 2021-08-06 Eat Pray Knife fight After being diagnosed with mental illness Keats wants nothing more than to get away His first day in Rome he falls in love and she steals his wallet and passport See this isn't the Rome of La Dolce Vita This is the Rome of confidence scams warring gangs of pickpockets living in the catacombs and Robin Hood philosopher kings Keats falls in with this off the grid society and for the first time finds himself a part of something The eclectic group of Misfits with a capital M teach him every scam they know and the group's leader an aging punk rocker they call the Carny seems to be grooming Keats to be his replacement But running from problems is never a good idea After a series of knife fights kidnappings car chases and a nude sprint across the city Keats begins to suspect something is wrong with the Carny something that could put his new family in serious danger Protecting them however will mean a betrayal of everything he holds dear Hey at least he's on vacation Funny romantic and action packed *Life on the 64 Bus* is a story about how family isn't always connected by blood no matter how much of it gets spilled *19 Year Old World Traveler*

HowExpert, Briana Grenert, 2019-01-30 What began as a wild idea turned into the adventure of a lifetime this is the story of how I traveled around world at age 19 and who I met on the journey Cult members and college students chain smokers and cameramen this story recounts a slew of traveling adventures and misadventures It's about holding your cool while detained in airports extreme and convoluted economizing and getting lost at all hours of the night It includes everything from hitchhiking at 5am to trying on a 1140 dollar dress on a dare Gratitude and wonder are the hallmarks of my voyage both for the opportunity to see and experience iconic sites Louvre Great Wall of China Leaning Tower of Pisa but also for the chance to meet so many wonderful people and some strange ones too It's being overwhelmed in the Vatican and petting kangaroos on Mount Fuji but it's also making friends on airplanes and being so engrossed in conversation that you don't notice an entire night slip away This 225 day adventure was the fruit of months of planning years of working and a lifetime of dreaming and no amount of preparation could have helped me anticipate all the outlandish and lovely experiences that awaited me along the way A trip around the world in 225 days described in about 25 000 words This story spans three continents beginning ending in Philadelphia PA and going through Hawaii Japan China Vietnam England Wales France Italy the Vatican Belgium the Netherlands and Hungary It includes places that were familiar to me Hawaii Japan and places that were brand new and overwhelming e.g. the Vatican Everywhere I went I managed to be both awed and a little homesick not just for my home but for the places and people I had already left behind Some places I spent more time in than others so some places get two chapters France while other countries share e.g. Belgium the Netherlands and Hungary The book is a balance between funny stories encounters descriptions of people and descriptions of the places I visited sites I saw It includes stories of both good things that happened as well as some set backs including a lot of time spent lost friction in some relationships mistakes I made The narration is in the first person in the past tense and the stories are based on a combination of my travel journal

and my recollections As such the perspective is of me 22 year old Briana looking back on the actions of my 19 year old self Rather than just being a summary of events the benefit of 2 years separation allows for quite a bit of reflection about the lessons I learned along the way About the Expert Briana Grenert was born and raised in Kailua HI where she currently resides in a house filled with Star Trek paraphernalia She recently graduated from Bryn Mawr College where she double majored in Classical Studies and Linguistics and minored in Neuroscience because it turns out that being silly does not exclude people from being studious Languages alive and dead are her passion and she s studied everything from Syriac to Klingon Currently she works as an instructor teaching Art French Ancient Greek and Christian History When people are looking for her they usually check her church the library or the beach If she s none of those places she s probably on a mountain somewhere lost She s not sure what she wants to be when she grows up maybe a pastor Or a professor Or a writer But she s not exactly sold on the entire concept of adulthood and might just put it off indefinitely HowExpert publishes quick how to guides on all topics from A to Z by everyday experts
