The Cumulative Book Index, 1986 A world list of books in the English language **Healing Emotional Wounds** Nancy M. Welch, 2013-12-01 The inspiring story of a single woman who adopts two children from Ukraine who are suffering from trauma and PTSD Healing Emotional Wounds A Story of Overcoming the Long Hard Road to Recovery from Abuse and Abandonment is a compelling chronicle of metamorphosis that gives testament to the power of love encouragement and resolve over the desperate circumstances of abuse neglect and abandonment This unvarnished story recounts Nancy's journey to adopt and parent Alyona and Alec two six year old children from Ukraine The drama of the family's first seven years reads like fiction but Alyona and Alec's stories are all too real Alec was born prematurely to a substance abusing mother who spent the early part of his life swathed in a blanket cocoon almost devoid of human touch

Alyona was found on the streets at age four or five and returned to the orphanage by her Italian adoptive family after only six weeks due to her aggressive behavior. Though single and in her fifties, Nancy feels called to adopt these children. What she discovers once she brings them home to America from Ukraine is that parenting two children with a history of abuse and abandonment will be the greatest most rewarding challenge of her life. But the real heroes of this memoir are Alyona and Alec who emerge from the abyss of hopelessness to live lives of confidence, love, and expectation. *Healing Emotional Wounds* affirms the hope of healing through commitment, hard work, extensive family and friend support, along with persistence and an unyielding resilience and focus. *Silent Terror* Helena Cowan, 2008-10-15 *Silent Terror* has a powerful message for all adult readers. Treated cruelly by her mother, Ilona's spirituality is rooted in her six-year-old heart when she discovers the old rugged cross. Rape and rape attempts during WWII mature Ilona very quickly. Under the Communist regime, she experiences theft, dishonesty, hatefulness, and disregard for dignity and humanity. Ilona is pressured into an arranged marriage with a vindictive man who defrauds the Communist military and is targeted for elimination. To save his life, she is forced by her husband to flee during the Hungarian revolution with two toddlers. After their struggle to freedom in January, they are captured at the Austrian border. While being shipped to a Siberian labor camp, they jump the train and sneak by the Russian patrols to catch a train to the Yugoslavian border where they are captured again. Under tight security in a former concentration camp near starvation, Ilona literally eats dirt to save her children's lives. When she finally gains her freedom and arrives in Canada, her troubles are not over. The description of these tragic events has all the sharpness and intensity of a fictionalized action adventure or mystery thriller story. Except that it is real. The details are fascinating and spot on and give away the fact this actually took place. Sometimes it is grim to handle the silent terrors of life, but with faith, it is possible. By reading *Silent Terror*, you will realize it yourself. *This is Home Now* Arwen Donahue, 2009-06-26 At the end of World War II, many thousands of Jewish Holocaust survivors immigrated to the United States from Europe in search of a new beginning. Most settled in major metropolitan areas, usually in predominantly Jewish communities where proximity to coreligionists offered a measure of cultural and social support. However, some survivors settled in smaller cities and rural areas throughout the country, including in Kentucky where they encountered an entirely different set of circumstances. Although much scholarship has been devoted to Holocaust survivors living in major cities, little has been written about them in the context of their experiences elsewhere in America. *This Is Home Now: Kentucky's Holocaust Survivors Speak* presents the accounts of Jewish survivors who resettled outside of the usual major metropolitan areas. Using excerpts from oral history interviews and documentary portrait photography, author Arwen Donahue and photographer Rebecca Gayle Howell tell the fascinating stories of nine of these survivors in a unique work of history and contemporary art. The book focuses on the survivors' lives after their liberation from Nazi concentration camps, illuminating their reasons for settling in Kentucky, their initial reactions to American culture, and their reflections on integrating into rural American life. ... and then, the Fat Lady Sang Eva
