NRC HQ Document Control Desk  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

To Whom It May Concern:

Enclosed is a copy of the Final After Action Report/Improvement Plan for the Radiological Emergency Preparedness (REP) Hostile Action Based, Partial Participation Phase Exercise Pathway Exercise conducted on June 4, 2013, for the Donald C. Cook Nuclear Plant. The State of Michigan and the risk county of Berrien participated in this exercise. The utility owner and operator, American Electric Power, Incorporated, also participated in this exercise.

No Deficiencies were identified for the State of Michigan or Berrien County during this exercise.

No Areas Requiring Corrective Action (ARCAAs) were identified for the State of Michigan or Berrien County during this exercise.

There was one Area Requiring Corrective Action (ARCA) identified during a previous exercise which was redemonstrated by the State of Michigan during this exercise. The ARCA identified for the State of Michigan, number 44-12-401-A-01, was under Criterion 4.4.1 - The laboratory is capable of performing required radiological analyses to support protective action decisions, whereas the Michigan Department of Environmental Quality (MDEQ) Radiological Protection Laboratory (RPL) facility, equipment and staff did not demonstrate the capability to process, analyze and store radiological samples and report the results of their analysis in a timely and accurate manner. This ARCA was successfully re-demonstrated on June 3, 2013.

There were no Floating Issues identified for the State of Michigan or Berrien County during this exercise.

A detailed discussion of these issues can be found in Part IV of this report.

Based on the results of the June 4, 2013 exercise, the offsite radiological emergency response plans and procedures for the State of Michigan and Berrien County, site-specific to the Donald C. Cook Nuclear Plant can be implemented, and are adequate to provide reasonable assurance that appropriate measures can be taken offsite to protect the health and safety of the public in the event of a radiological emergency at this site.

**The Greatest Lie on Earth (Expanded Edition)** Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it      **Review of the General Accounting Office Report on FEMA's Activities After the Terrorist Attacks on September 11, 2001** United States. what we have said Showing that neither of these claims is true David Ray Griffin demonstrates that NIST is guilty of the most serious types of scientific fraud fabricating falsifying and ignoring evidence He also shows that NIST's report left intact the central mystery How could a building damaged by fire not explosives have come down in free fall **FEMA's Delivery of Individual Assistance Programs, New York--September 11, 2001** United States. **The Eleventh Day** Anthony Summers, Robbyn Swan, 2012-08-14 FINALIST FOR THE PULITZER PRIZE For most living Americans September 11 2001 is the darkest date in the nation's history But what exactly happened on 9/11 Could it have been prevented And what remains unresolved Here is the first panoramic authoritative account of that tragic day from the first brutal actions of the hijackers to our government's flawed response from the untruths told afterward by U.S. officials to the elephant in the room of the 9/11 Commission's report the clues that point to foreign involvement New York Times bestselling authors Anthony Summers and Robbyn Swan write with access to thousands of recently released official documents raw transcripts fresh interviews and the perspective that can come only from a decade of research and evaluation Riveting revelatory and thoroughly sourced The Eleventh Day is updated for this edition with new reporting on a development that the former cochairman of Congress's 9/11 probe calls the most important in years This is the essential one volume work required reading for us all Essential The Wall Street Journal Meticulous comprehensive an extraordinary synthesis John Farmer 9/11 Commission senior counsel This wide angle look examines the personalities behind the terror plot U.S. intelligence blunders the toxic environmental impact on first responders the march to war and gray areas in the 9/11 Commission Report The Washington Post The best available general account of 9/11 soberly written judiciously weighed meticulously sourced The Sunday Times

**9/11 Ten Years Later** David Ray Griffin, 2012-04-10 On the tenth anniversary of the September 11 2001 terrorist attacks David Ray Griffin reviews the troubling questions that remain unanswered 9/11 Ten Years Later is David Ray Griffin's tenth book about the tragic events of September 11 2001 Asking in the first chapter whether 9/11 justified the war in Afghanistan he explains why it did not In the following three chapters devoted to the destruction of the World Trade Center Griffin asks why otherwise rational journalists have endorsed miracles understood as events that contradict laws of science Also introducing the book's theme Griffin points out that 9/11 has been categorized by some social scientists as a state crime against democracy Turning next to debates within the 9/11 Truth Movement Griffin reinforces his claim that the reported phone calls from the airliners were faked and argues that the intensely debated issue about the Pentagon whether it was struck by a Boeing 757 is quite unimportant Finally Griffin suggests that the basic faith of Americans is not Christianity but nationalist faith which most fundamentally prevents Americans from examining evidence that 9/11 was orchestrated by U.S. leaders and argues that the success thus far of the 9/11 state crime against democracy need not be permanent

**The Hidden History of 9/11** Paul Zarembka, 2011-01-04 How much insider trading occurred in the days leading up to 9/11 How compromised is the evidence against alleged hijackers Why were there no military interceptions To what extent does the testimony of more than five hundred firefighters differ from official reports of what happened at the World Trade Center buildings that day How inseparably connected are Western covert operations to al Qaeda How is Islamophobia used to sustain US imperialism What was the 9/11 Commission With contributions from Nafeez

**Handbook of Cognitive and Autonomous Systems for Fire Resilient Infrastructures** MZ Naser,Glenn Corbett,2022-06-27 This handbook aims at modernizing the current state of civil engineering and firefighting especially in this era where infrastructures are reaching new heights serving diverse populations and being challenged by unique threats Its aim is to set the stage toward realizing contemporary smart and resilient infrastructure The Handbook of Cognitive and Autonomous Systems for Fire Resilient Infrastructures draws convergence between civil engineering and firefighting to the modern realm of interdisciplinary sciences i e artificial intelligence IoT robotics sensing and human psychology As such this work aims to revolutionize the current philosophy of design for one of the most notorious extreme events fire Unlike other publications which are narrowed to one specific research area this handbook cultivates a paradigm in which critical aspects of structural design technology and human behavior are studied and examined through chapters written by leaders in their fields This handbook can also serve as a textbook for graduate and senior undergraduate students in Civil Mechanical and Fire Protection engineering programs as well as for students in Architectural and social science disciplines Students engineers academics professionals scientists firefighters and government officials involved in national and international societies such as the American Society of Civil Engineers ASCE Society of Fire Protection Engineers SFPE National Fire Protection Association NFPA and Institute of Electrical and Electronics Engineers IEEE among others will benefit from this handbook      **The New Pearl Harbor Revisited** David Ray Griffin,2012-12-30 This second edition contains a 30 page Afterword with additional material on the alleged hijackers controlled demolition of the WTC Sibel Edmonds and the 9 11 Commission plus a discussion of whether Standard Operating Procedures had been changed in June 2001 From a skeptical vantage point but also taking to heart the classic idea that those who benefit from a crime ought to at least be investigated Griffin an eminent philosopher and theologian brings together an account of the national tragedy that is far more logical than the one we ve been asked to believe Gathering stories from the mainstream press reports from other countries the work of

other researchers and the contradictory words of members of the Bush administration themselves Griffin presents a case that leaves very little doubt that the attacks of 9 11 need to be further investigated The disturbing questions emerge from every part of the story from every angle until it is impossible not to seriously doubt the official story and suspect its architects of enormous deception Long a teacher of ethics and systematic theology Griffin writes with compelling and passionate logic urging readers to draw their own conclusions from the evidence outlined The New Pearl Harbor rings with the conviction that it is possible even today to search for the truth it is a stirring call that we demand a real investigation into what happened on 9 11

**9.11: The New Evidence** Ian Henshall, 2021-09-09 The original 9 11 Revealed attracted lavish praise from reviewers in the Daily Mail and Sunday Times for the huge gaps it exposed in the official 9 11 story It became a non fiction bestseller despite a wall of silence by the broadcast media and condemnation in a special web page set up by the US State Department Since then the story has produced many sinister new twists including Pentagon whistleblowers have accused the Independent 9 11 Commission of lying long suppressed eyewitness testimony has been released confirming multiple explosions in the Twin Towers before and during their collapses the much vaunted video purporting to prove that Flight 77 hit the Pentagon showed nothing at all and an analysis of terrorist trials and arrests since 2001 indicates that far from the 600 Al Qaeda sleeper cells in the US CIA there were none at all In this sequel to 9 11 Revealed Ian Henshall examines the precedents of black operations by the US UK from Northern Ireland to Italy from Vietnam to Kosovo he looks at the various 9 11 theories including the latest twists in the official story and tests them against the evidence Finally he asks what might happen when the storm of popular outrage collides with the regime in Washington and London and outlines the radical changes needed if Washington and London are ever again to function as genuine democracies
