Fostering Culture Through Film Elda Buonanno Foley, Patrizia Comello Perry, 2016-05-11 The perceived lack of understanding of cultural diversity in the American learning community has led instructors to challenge assumptions and stereotypes while addressing misconceptions Teachers of foreign languages and cultural studies in particular feel the need to redesign curricula and lesson plans to better serve the learning community of the twenty first century The common starting point resides in the paradox that exists in today's connected world while global access to information makes learners aware of the infinite variety of cultural diversity it does not however make them critical thinkers For this reason there is opportunity to reshape critical thinking within a more global perspective while enhancing the tools to identify interpret and compare the different cultural models that learners encounter The book demonstrates the theories and practical applications by which instructors use contemporary film to provide insightful readings on diverse local communities communities that form the basis of global culture This collection of essays will serve as a pedagogical tool and resource offering methods and examples of a communicative approach to analyze and integrate cultural diversities similarities and problems in the second language curricula methods that expose students to different cultural models while scaffolding their critical approach to multiple layers of common and specific values This work will encourage a dialogue and long lasting conversation on methodologies and teaching strategies rethought reapplied and remolded to the new learning environments *Using Debate in the Classroom* Karyl A. Davis, M. Leslie Wade Zorwick, James Roland, Melissa Maxcy Wade, 2016-06-03 Debate holds enormous potential to build 21st century skills such as critical thinking communication collaboration and conflict resolution in the K 12 classroom but teachers often struggle to implement and contextualize it effectively *Using Debate in the Classroom* draws on research from a variety of academic disciplines to explain the benefits of debate across subject areas and describes how teachers can use debate to enliven their curriculum and support the aims of the Common Core Topics include Introducing debate as a pedagogical practice to engage students improve school culture and disrupt the school to prison pipeline Using debate to teach critical literacy and improve students reading writing and speaking skills Implementing role playing techniques to strengthen information literacy and reasoning skills Building students empathy perspective taking skills and cultural humility as they confront difficult social issues through debate Appendices provide a variety of tools to assist K 12 teachers in implementing debate in the classroom including ready made debate activities student handouts and a step by step guide to introducing students to debate in just one week Genre Transgressions Ramona Mosse, Anna Street, 2023-12-01 This collection gathers a set of provocative essays that sketch innovative and interdisciplinary approaches to Genre Theory in the 21st century Focusing on the interaction between tragedy and comedy both renowned and emerging scholarly and creative voices from philosophy theater literature and cultural studies come together to engage in dialogues that reconfigure genre as social communal and affective In revisiting the challenges to aesthetic categorization over the

course of the 20th century this volume proposes a shift away from the prescriptive and hierarchical reading of genre to its crucial function in shaping thought and enabling shared experience and communication In doing so the various essays acknowledge the diverse contexts within which genre needs to be thought afresh media studies rhetoric politics performance and philosophy Elle ,2008 **Resources in education** ,1983-11 **Normal Instructor and Teachers World** ,1928
