Fitzgerald,2018-01-07 Image result for the great gatsby summarywww sparknotes comThe Great Gatsby is a story told by Nick Carraway who was once Gatsby s neighbor and he tells the story sometime after 1922 when the incidents that fill the book take place As the story opens Nick has just moved from the Midwest to West Egg Long Island seeking his fortune as a bond salesman **The Great Gatsby Annotated** Francis Fitzgerald,2020-07-11 Let s play a game called Free Association When we say the words Roaring Twenties what are the first things that pop into your head Go for it We ll wait here for you Cool Let s check out your list Maybe you came up with something like this Flappers Definitely flappersBobsBootleggersThe Harlem RenaissanceCool carsPartaysThose long cigarette holders and old movie starsBoardwalk EmpireIf you re looking at that list and thinking Sweet you re in luck Published in 1925 The Great Gatsby is set in New York City and Long Island during the Prohibition era remember the Prohibition era was a time in which alcohol was illegal no matter how old you were yowsa Flappers It s got them Parties You bet Cool cars Absolutely but more on that in a minute or jump ahead to our Great Gatsby summary The problem is author F Scott Fitzgerald didn t see the Jazz Age as all about hip music and sparkly clothes He associated the entire period with materialism I want things Lots of things and immorality For many of the post World War I era s newly wealthy materialism and immortality were the name of the game The novel s star is Jay Gatsby a young rich man in love with a society girl from his past A girl who as it happens is married to someone else Do we smell a Twilight esque love triangle approaching And that s not the only reason why Gatsby still feels fresh today The novel s very title has become a kind of buzzword for periods of excess and fake luxury The economic collapse of 2008 brought back distant and unwelcome memories of the stock market crash of 1929 casting the boom times of the 1990s and early 2000s as the modern day version of the Roaring Twenties In both cases though unsustainable boom times led to devastating crashes with profound cultural consequences In the 1920s it had been a bubble in stocks that brought easy prosperity while in our own time the bubble had been in the housing market In both times easy money meant that many people could begin to dream of living out their days like Jay Gatsby with life as just one grand party in a seersucker suit But as that vision of easy luxury crashed and burned in both 1929 and 2008 newfound hard times required a redefinition of the American Dream And while Gatsby is a work of fiction Fitzgerald s real life contains some suspicious similarities Gulp Narrator Nick Carraway is both mesmerized and disgusted by Gatsby s extravagant lifestyle just as Fitzgerald claimed to feel about the Jazz Age excesses that he himself adopted As an Ivy League educated middle class Midwesterner Fitzgerald like Nick saw through the shallow materialism of

the era But like Gatsby Fitzgerald came back from World War I and fell in love with a wealthy southern socialite Zelda Sayre The Great Gatsby is swaddled in Fitzgerald s simultaneous embrace of and disdain for 1920s luxury Since Fitzgerald did indeed partake in the Jazz Age s decadent high life it s not surprising that the details of the setting and characters make The Great Gatsby a sort of time capsule of the 1920s Gatsby is taught all over the world partly because it s a history lesson and novel all rolled into one delicious wrap of intrigue Mmmmm intrigue
