Greg Laurie, 2007-11-01 Sometimes in the pain of difficult life experiences we look to heaven for quick explanations But we don't always get the answers we're looking for When Job's whole world caved in on him he didn't understand why God allowed suffering and grief to crash into his life The prophet Daniel might have wondered the same thing along with Shadrach Meshach and Abednego What do you do when questions burn in your heart and heaven seems silent Here's how to stay on course and find your way when all the lights go out and answers seem just out of reach
