

1. Accounts Receivable

1.1 Customer Setup

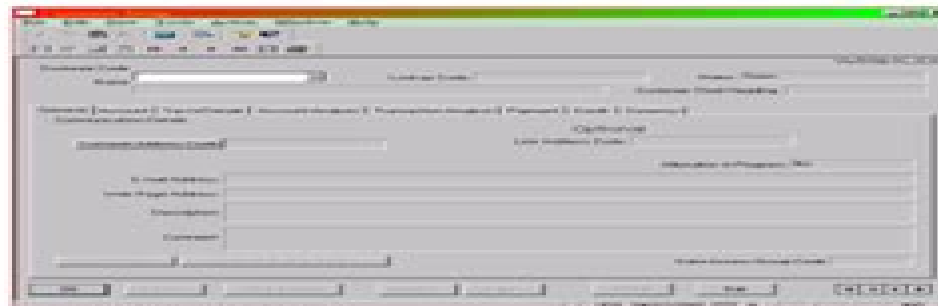

Use to enter and maintain all information relating to an organization to which you sell goods or services. A Customer record established in Customer Setup is linked to a Customer Account in the General Ledger Chart of Accounts containing all information relating to the Customer. The General Ledger Account holds all financial postings for the Customer. Upon adding a new Customer using Customer Setup, the associated General Ledger Customer Account can be created at the same time by entering all Chart of Accounts details.

Use **Customers Setup (CUS)** rather than **Chart of Accounts Setup (CA)** (Error: Reference source not found) to create all new Customer records.
