with coverage for the 250 360 and 400cc single cylinder Motocross Enduro and Sportsman models from 1965 through the
1969 MG series However as both the 250cc and 400cc models remained in production through 1975 as the MH 1970 MI
1971 MJ 1972 and MK 1973 1975 series the original Clymer manual provided coverage beyond its publication date and
effectively included those models from 1965 through 1975 While this 2025 edition includes all of the data from the original
publication it has also been expanded to include the 1972 and later 125cc and 450cc MJ and MK series Models covered by

1974 We encourage you to exercise caution when purchasing technical publications for your classic motorcycle or automobile
as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really
have no idea what they are selling Many are nothing more than poor quality digital or comb bound photocopies that are
scanned or printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or
even refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com
has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent
reviews worldwide so you can be assured you are purchasing a quality product **Husqvarna: Service-repair Handbook**
