

An aerial photograph of the University of Technology, Lae campus. The central feature is a large, rectangular building with a prominent orange-brown roof and a covered walkway. This building is situated on a green lawn. To the right of the central building is a long, white, two-story building with many windows. The campus is surrounded by lush green trees and vegetation. In the background, other buildings and a dense forest are visible. A paved path winds through the green spaces. The overall scene is a well-maintained university campus.
