

Declaration of conformity for the European Community

ATL&KIS declares that Alcatel Conference IP1850 complies with the relevant basic requirements and provisions of the European Directive 1999/5/CE. You can download the declaration of conformity from the following address: www.alcatel-business.com.

The CE logo shown on the products indicates that they are compliant with the basic requirements of all the applicable directives.

Environment

This symbol means that your innovative electronic appliance must be collected separately and not mixed with the household waste. The European Union has implemented a specific collection and recycling system for which producers are responsible.

This appliance has been designed and manufactured with high quality materials and components that can be recycled and reused.

Electrical and electronic appliances are liable to contain parts that are necessary in order for the system to work properly but which can become a health and environmental hazard if they are not handled or disposed of in the proper way. Consequently, please do not throw out your innovative appliance with the household waste. If you are the owner of the appliance, you must deposit it at the appropriate local collection point or leave it with the vendor when buying a new appliance.

(a) If you are a professional user, please follow your supplier's instructions.

(b) If the appliance is rented to you or left in your care, please contact your service provider.

Please help us protect the environment in which we live!
