

Flowers for Algernon Illustrating Metaphors/Similes

Directions: Ray Bradbury uses a great deal of figurative language (metaphors, similes, personifications) throughout *Flowers for Algernon*. Some of these lines are incredibly visual. Your job for this assignment is to choose two of your favorite similes or metaphors from the book and illustrate them.

1. Consider what image you get in your mind when you read these lines.
2. Brainstorm ways that you can put this into a drawing, cartoon, collage etc.
3. Take a piece of paper (folded in half) and illustrate both of your choices.
4. Neatly fill the entire square with your image and color.
5. The quote should be neatly written or typed to fit at the bottom of the page.

If you're stuck on what metaphors/similes to select, here are a few to get you started:

1. "I'm the Queen bee, safe in the hive: you will be the drone, the traveling bee" (Bradbury 87).
2. "Delicately, like the petals of a flower, light the first page, light the second page: each becomes a black butterfly. Beautiful, eh?" (Bradbury 72).
3. "The electric humbler moved like a graying mouse on the pillow, touched by her hand" (Bradbury 48).
4. "His wife stretched on the bed, uncovered and cold, like a body displayed on the lid of a tomb, her eyes fixed to the ceiling by invisible threads of steel, immovable" (Bradbury 12).
5. "Her face, turned to him now, was fragile milk-crystal with a soft and constant light in it" (Bradbury 7).

After selecting and illustrating your metaphors and similes, answer the following questions on a separate sheet of paper. Be sure to answer the questions for each of the similes/metaphors you selected.

1. What two things is Bradbury comparing here?
2. What are some of the ways these two things are similar?
3. What are some of the ways these two things are different?
4. How does that help you see _____ in a new way?
5. Rewrite the simile/metaphor and replace it with the author's literal meaning.
6. How does the mood of the line created by the figurative language change when replaced with literal words?

Fahrenheit 451 Metaphors With Page Numbers
