Part One:

1. What do the "firemen" do for a living? *Burn things—houses and books.*
2. In the opening scene, why are the books compared to birds? *Because the covers and pages flap as they burn. Symbolism—books come to life, books provide enlightenment, books as the phoenix.*
3. According to pp. 3-4, what does Montag think of his job? *He smiles when he thinks of it, it is satisfying, and he is content with his job.*
4. Who does Montag meet on the way home? Describe this character and the encounter. 5. During the conversation, Montag says that "You never wash it off completely," referring to the salamander. What could this symbolically mean? *He never as a fireman demonstrates his machine can't get rid of the guilt or burden? There's "blood on his hands?"*
6. Why does Mildred need help when Montag arrives home? *She overindulged in sleeping pills and is lying unconscious on her bed.*
7. Describe the help that comes to the house to fix Mildred. What unusual thoughts does Montag have about his wife and this process? *Two unknown "handymen" arrive—just nobody-EMT guys who act like this is an everyday, no big deal job they do "once or twice a night"; very impersonal, like two mechanics fixing a car (Bradbury 10).
