

How The Circuit Works

Low Fuel Indicator

With the ignition switch in ON, voltage is applied to the coil of the low fuel indicator check relay. The relay contacts close and ground is provided for the low fuel indicator. The indicator goes on for a few seconds. This provides a bulb check for the indicator.

During normal operation, the indicator will go on within 30 seconds after the ignition switch has been turned to ON if the tank has less than 1.06 gallons (4.0 liters) of fuel in it.

Oil Pressure Indicator

With the ignition switch in ON, and the oil pressure switch closed, voltage is applied to the oil pressure indicator. The indicator light goes on. When the engine is started and oil pressure reaches 2.8-5.7 psi (0.2-0.4 kg/cm²), the oil pressure switch opens and the indicator goes off. When the oil pressure drops below 2.8-5.7 psi (0.2-0.4 kg/cm²) the switch closes and the indicator light comes on.

Tachometer

With the engine running, the tachometer senses ignition pulses from the ignition control unit. The solid-state tachometer displays these pulses as engine speed.

Coolant Temperature Gauge and Fuel Gauge

With the ignition switch in ON, voltage is applied from the fuse through the voltage stabilizers to the gauge heaters. When voltage at the stabilizer is high, the contact closes for a short time. If the voltage is lower, the contact closes for a longer time. This stabilizes the voltage sent to the fuel and coolant temperature gauge heaters. Current flows through the heater in each gauge and its sensor to ground. As the resistance in the sensor varies, current through the gauge heater changes and the needle moves.

Goldwing Owners Manual:

Whispering the Techniques of Language: An Psychological Quest through **Goldwing Owners Manual**

In a digitally-driven earth where displays reign great and quick communication drowns out the subtleties of language, the profound techniques and mental subtleties concealed within phrases often go unheard. Yet, set within the pages of **Goldwing Owners Manual** a charming literary prize pulsing with natural emotions, lies an extraordinary journey waiting to be undertaken. Penned by a talented wordsmith, this wonderful opus attracts readers on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within the fabric of every word. Within the psychological depths of this moving evaluation, we shall embark upon a genuine exploration of the book is core styles, dissect their charming writing type, and fail to the effective resonance it evokes deep within the recesses of readers hearts.
