Grafius,2024-12-05 While many genres offer the potential for theological reflection and exploration of religious issues the nature of horror provides unique ways to wrestle with these questions Since EC Comics of the 1950s horror comics have performed theological work in ways that are sometimes obvious sometimes subtle but frequently surprising and provocative This collection brings together essays covering the history of horror comics from the 1950s to the present with a focus on their engagement with religious and theological issues Essays explore topics such as the morality of EC Comics cosmic indifference in the works of Junji Ito the reincarnated demons of the web comic The Devil is a Handsome Man religion and racial horror in comic voodoo and much more *Shadowmancy* Jason Franks,2019-10-15 On a mountain that does not exist there is a school where they teach the impossible From his first day at the Academy things have been difficult for Quay Though he has surrendered his name like every other acolyte at the magical school Quay is the son of a disgraced professor and he finds that his father s old enemies are already lined up against him while the professor s own faction is just as suspicious Quay refuses to take a side but as his powers grow it becomes apparent that the damaged young boy may prove a greater threat than his father ever was Deep in the Library of Shadows Quay finds a way to survive his father s treacherous legacy but the price is high indeed A mysterious and compelling read told in spookily disconnected first person narrative delivered by a likeably unlikeable main character A subtle and dreamlike tale Sam Bowring author of the Broken Well trilogy What happens when the ordinary and everyday is not kind What happens when we take the hard road and make the harsh bad choices Shadowmancy explores this with relish Gillian Polack author of Year of the Fruitcake **B-Movie Gothic** Justin Edwards,2018-05-15 Leading philosophers reconsider the philosophical destiny of education *A Gothic's Poem* Angela-Michelle Hatheway,2010-04-21 Poetry written by someone born in the wrong age of time Emotions and a well of thoughts dancing around darker times and personal struggle This book holds the greater works of the author who has been writing poetry in her own style since 1990 We invite you to become lost in the vivid imagery put together in words by Angela Michelle Hatheway writer designer fantasy artist **Packaging Girlhood** Sharon Lamb,Lyn Mikel Brown,2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to

understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like *Reviving Ophelia* *Odd Girl Out* *Queen Bees and Wannabees* that examine the world of girls this book promises to not only spark debate but help parents to help their daughters *Fashioning Gothic Bodies* Catherine Spooner,2004-09-04 This innovative book explores the role played by clothing in the discourses of the Gothic It makes an explicit connection between the veils masks and disguises of Gothic convention and historically specific fashion discourses from the revealing chemise dress popularized by Queen Marie Antoinette to the subcultural style of contemporary Goths In so doing it sheds new light on the cultural construction of Gothic bodies Taking an original interdisciplinary approach Catherine Spooner offers readings of literary cinematic and popular cultural texts in the context of fashion from the 1790s to the 1990s Progressing chronologically from the novels of Radcliffe and Lewis through the sensation fiction of the Victorian period and the Gothic fiction of the fin de siècle *Fashioning Gothic Bodies* culminates with twentieth century film and the supposed resurgence of the Gothic in pre Millennial culture *Goth* Michael Bibby,Lauren M.
