**Sound Recording in Post-War British Folk** Matthew Ord,2025-04-03 Recording technologies shaped the sound and meaning of 20th century folk music in Britain constructing a sonic aesthetics of authenticity in an era of rapid technological and social transformation The folk revival that changed the sound of 20th century British popular music was sustained by a varied and innovative recording culture For many listeners the sound of folk on record presented a real sound in an age of studio artifice asserting the value of face to face performance over technologically mediated consumption At the same time the folk movement benefitted from rapid advances in recording and media technology encompassing a range of sonic practices including radio documentary commercial studio production and field recording Within the revival as a cultural movement recordings and the act of recording itself reflected and shaped the meaning of the music for musicians and their audiences as they developed new aesthetic practices and explored the expressive potential of recorded sound Sound Recording in Post War British Folk traces how folk s recording culture was shaped by beliefs about music technology and society becoming a key site for the articulation of aesthetic cultural and political values Ord brings together theoretical approaches from musicology social semiotics and science and technology studies and draws upon interviews with musicians and producers to explore the place of recording in 20th century folk and popular music and raise larger questions about the relationship between music recording technologies and cultural political movements

*Consumer Behaviour* Leon Schiffman,Aron O'Cass,Angela Paladino,Jamie Carlson,2013-10-15 A trusted resource for Consumer Behaviour theory and practice Consumer Behaviour explores how the examination and application of consumer behaviour is central to the planning development and implementation of effective marketing strategies In a clear and logical fashion the authors explain consumer behaviour theory and practice the use and importance of consumer research and how social and cultural factors influence consumer decision making The sixth edition of this Australian text provides expanded coverage of contemporary topics

*Undaunted Mind* EMERITUS PROFESSOR OF ENGLISH KEVIN J. HAYES,Kevin J. Hayes,2025-05-14 An exploration of the mind of one of America s most beloved Founding Fathers and most brilliant minds through the books he read and his social circles in the United States and Europe Arguably the most intellectual creative cosmopolitan and curious of the Founding Fathers Benjamin Franklin is the only top tier Founder not to have served as president Despite not becoming

the Chief Executive Franklin played an active role in American politics and served the aspiring and young United States in the key European capitals His prodigious reading and appetite for learning are epic As he did in works about Thomas Jefferson and George Washington Kevin J Hayes interprets the life and mind of Franklin through what he read Undaunted Mind tells the story of the development of Franklin s intellect starting with the earliest books he read as a child before examining his formal schooling and his independent study after his father pulled him from school As an apprentice in his brother s printing house Franklin s intellectual life developed through his contact with the Couranteers the group of his brother s friends who contributed to his newspaper and through his attention to his brother s excellent office library After Franklin ran away to Philadelphia he developed a new group of friends all of whom loved reading In many ways the story of Franklin s intellectual odyssey is the story of the friends he made along the way His time in London in his late teens introduced him to several important intellectuals who encouraged him to develop his mind After returning to Philadelphia from London he and some friends formed the Junto a club for mutual improvement that made reading and writing important activities With other members of the Junto he formed the Library Company of Philadelphia the first subscription library in colonial America His role as a printer put him in contact with the best eighteenth century American writing and kept a steady flow of imported books coming from Britain He became a scientist assembling a great scientific library which helped his electrical research An educational reformer Franklin founded the Philadelphia Academy which would become the University of Pennsylvania As agent for the Pennsylvania Assembly Franklin lived in London for many years where he befriended some of Britain s greatest minds Different concentrations of books in his library reveal Franklin s interests in travel and exploration warfare and slavery His time in Paris toward the end of his life gave Franklin another great intellectual experience but he ultimately returned home to live the last five years of his life in Philadelphia where he imparted his knowledge and experience to a new generation of Americans In this gripping work Benjamin Franklin is given a biography as rich and complex as his own intellectual life by master literary historian Kevin J Hayes *Clark's Horse Review* ,1900

**Open for Business** Richard Feinberg,2016-06-14 An expert guide to Cuba s economic opening to the outside world Ninety miles across the Straits of Florida an exciting new revolution is afoot This time instead of guerillas marching down the streets of Havana it is a global economy that will upend Cuba Now opening to the world what new forms is this nascent economy likely to take Open for Business The New Cuban Economy Richard E Feinberg s new book examines the Cuban economy as it makes its early steps into developing a more dynamic market economy He examines key issues like the role foreign investors will play how Cubans will forge a path to entrepreneurship and the roadmaps suggested by other emerging economies As Cuba s economy awakens from the post Castro dream it will do so with a flavor that is uniquely Cuban Feinberg s book enriched by interviews and in depth field research conducted over the last five years speaks both to Cuba s legacy and to its new horizons on the world stage **The Cultivator & Country Gentleman** ,1890 **The Routledge**

**Handbook of Social Care Work Around the World** Karen Christensen, Doria Pilling, 2017-12-22 The Routledge Handbook of Social Care Work Around the World provides both a comprehensive and authoritative state of the art review of the current research in this subject. It is the first handbook to cover social care work research from around the world including both low and middle income countries as well as high income countries. Each of the 22 chapters are written by experts on long term care services particularly for older people and cover key issues and debates based on research evidence on social care work in a specific country. They look at perspectives of social care work from the macro level the structural conditions for long term care including demographic challenges and the long term care policy the meso level the level of provider organizations and intermediaries and the micro level views of care workers care users and unpaid informal carers. Furthermore they discuss a number of topics central to discussions of care work including marketization personalization policies policy implementation under austerity the provision of social care work whether through public services or private arrangements or mixed types funding the feminization of social care and the new role that technology and robots can play in care work. By drawing together leading scholars from around the world this book provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research. This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom and will be of interest to students academics social workers social policy makers and human service professionals.

**Older Lesbian, Gay and Bisexual Adults** Andrew King, 2016-06-03 Andrew King is Senior Lecturer in Sociology at the University of Surrey UK and co editor of Sociological Objects Reconfigurations of Social Theory.

[Routledge Handbook of Food and Nutrition Security](#) Bill Pritchard, Rodomiro Ortiz, Meera Shekar, 2016-03-31 The concept of food and nutrition security has evolved and risen to the top of the international policy agenda over the last decade. Yet it is a complex and multi faceted issue requiring a broad and interdisciplinary perspective for full understanding. This Handbook represents the most comprehensive compilation of our current knowledge of food and nutrition security from a global perspective. It is organized to reflect the wide scope of the contents its four sections corresponding to the accepted current definitional frameworks prevailing in the work of multilateral agencies and mainstream scholarship. The first section addresses the struggles and progression of ideas and debates about the subject in recent years. The other sections focus on three key themes how food has been is and should be made available including by improvements in agricultural productivity the ways in which politico economic and social arenas have shaped access to food and the effects of food and nutrition systems in addressing human health known as food utilisation. Overall the volume synthesizes a vast field of information drawn from agriculture soil science climatology economics sociology human and physical geography the nutrition and health sciences environmental science and development studies.
