Publishers Weekly starred review. A timely introspective whodunit with a lot of heart. Kirkus Reviews starred review. Levy writes in an easy style with laugh out loud humor offering characters that slowly reveal deeper complexity. School Library Journal starred review. *It Wasn't My Fault, Honest!* Gail Schultz, 2013-05-21 Mary Beth is the older sister of three younger brothers whom she has been given the job of watching over and keeping out of trouble. Be prepared to laugh about this realistic fiction dealing with the antics and mischief that the boys are always getting into which they constantly blame on Mary Beth. The three boys are continually testing her patience and last nerve throughout the story. How will Mary Beth deal with her brothers and get herself out of trouble with Mom. You'll have to read the book to find out for yourself. *Wish It Wasn't M.E.* Michelle Flatt, 2013-05-28 I hope that if you have Myalgic Encephalomyelitis ME or know someone who has you will find this book useful. ME can affect different people in different ways. Some people are able to carry on with a normal life as long as they pace themselves others are housebound or even bedridden. This book is about my story how I developed ME and how I have tried to search for an answer and treatment for the symptoms I experience. **It Wasn't Me!** Giles Andreae, 2012-09-06 A secret prankster is causing mayhem around town and everyone keeps pointing the finger at Billy. Can Billy use his detective skills to unmask the cunning culprit once and for all. **It Wasn't Me** Schmid Almonor, 2012-11 *It Wasn't Me, All Right?* Robert Rooney, 2019-03-19 The true story of one teacher's career at one of the most notorious schools in North Belfast. It Wasn't Me All Right is Robert Rooney's startlingly honest account of his teaching career having taught adolescents deemed not only beyond education but by many as beyond discipline. Although ostensibly for pupils who had moderate learning difficulties Robert found himself teaching those who were failing in mainstream education. The school in North Belfast achieved a certain

notoriety during the sixties seventies and early eighties not only as a place for children with learning difficulties but also as a dumping ground for difficult pupils The resultant intake contained an eclectic range of intelligence ability and behaviour There were however a small number of teachers who were eccentric enough not only to embrace the challenge but to find it both enjoyable and rewarding This is one of the few books of its kind that examines how The Troubles in Northern Ireland affected teachers and pupils during that period While delivering a serious message this story is enveloped in humour as Robert relays his early bewilderment to the genuine enjoyment of his job with a sincere affection and respect for his pupils This is not just another book about The Troubles there is certainly pathos and tragedy but the reader's tears are as likely to be as much from laughter as grief The reader is offered a unique insight into teaching in one of the most bitter and vicious times in recent history It Wasn't Me All Right will intrigue and amuse anyone who attended or taught in schools in Northern Ireland during that period Aside from this it will also have a much wider appeal to anyone who sees humour as an integral part in the sharper end of education *It Wisnae Me... Honest!* Harry Morris, 2011-09-06 The hilarious adventures of Harry the Polis the self appointed Chief Constable of funny stories continue with the publication of his ninth book *It Wisnae Me Honest* Follow our laughing polis man as he tackles the funny side of policing and introduces us to more of his zany characters and incidents There's the Inspector with second wife syndrome the woman assaulted by a flying sausage and the dead donkey on the manse lawn And you can't miss the recollections of getting painfully trapped by the goolies the private call to Prince Charles the benefits of drinking organic tea or the terrorist attack on a US Naval ship on the Holy Loch This title is packed full with funny stories jokes anecdotes and tales to have you laughing out loud *It Wisnae Me Honest* is another classic collection of comical capers from behind the uniform And they're all true honest **The Honest Life (Enhanced Edition)** Jessica Alba, 2013-03-12 Enhanced Edition includes exclusive videos featuring a candid look at Jessica Alba's Honest Life As a new mom Jessica Alba wanted to create the safest healthiest environment for her family But she was frustrated by the lack of trustworthy information on how to live healthier and cleaner delivered in a way that a busy mom could act on without going to extremes In 2012 with serial entrepreneur Brian Lee and environmental advocate Christopher Gavigan she launched The Honest Company a brand where parents can find reliable information and products that are safe stylish and affordable The Honest Life shares the insights and strategies she gathered along the way The Honest Life recounts Alba's personal journey of discovery and reveals her tips for making healthy living fun real and stylish while offering a candid look inside her home and daily life She shares strategies for maintaining a clean diet with favorite family friendly recipes and embraces nontoxic choices at home and provides eco friendly decor tips to fit any budget Alba also discusses cultivating a daily eco beauty routine finding one's personal style without resorting to yoga pants and engaging in fun hands on activities with kids Her solutions are easy chic and down to earth they're honest And discovering everyday ways to live naturally and authentically true to you could be honestly life changing *MOSTLY HONEST* Roger Anderson, 2024-07-29 Summer 1960
