Miller Santo,2012-08-07 An extraordinary new voice in contemporary woman s fiction Courtney Miller Santo makes her magnificent debut with The Roots of the Olive Tree a novel that will delight fans of Sarah Blake s The Postmistress The Secret Life of Bees by Sue Monk Kidd and the works of Kristin Hannah Set in a house on an olive grove in northern California The Roots of the Olive Tree is a beautiful touching story that brings to life five generations of women including an unforgettable 112 year old matriarch determined to break all Guinness longevity records the secrets and lies that divide them and the love that ultimately ties them together **The First and Second Letters to Timothy** Luke Timothy Johnson,2008

The letters of Paul to Timothy one of his favorite delegates often make for difficult reading in today s world They contain much that make modern readers uncomfortable and much that is controversial including pronouncements on the place of women in the Church and on homosexuality as well as polemics against the so called false teachers They have also been of a source of questions within the scholarly community where the prevailing opinion since the nineteenth century is that someone else wrote the letters and signed Paul s name in order to give them greater authority Using the best of modern and

ancient scholarship Luke Timothy Johnson provides clear accessible commentary that will help lay readers navigate the letters and better understand their place within the context Paul's teachings Johnson's conclusion that they were indeed written by Paul himself ensures that this volume like the other Anchor Bible Commentaries will attract the attention of theologians and other scholars

The First and Second Letters to Timothy Jerome D. Quinn, William C. Wacker, 2000

The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series
