full size model change from 1959 to 1960 was seen as a big departure from the swerving lines of the 1950s Slow to start on
sales Ford s full size production grew year after year peaking with 648 010 units produced in 1963 It was an all time best for
the Galaxie line and its sister nameplates Eight appearance and performance offerings were applied to the full size Ford line
including the Fairlane Galaxie Ranch Wagon Country Sedan Country Squire Courier 300 and Custom which made each car
unique With more than 2 3 million full size Fords produced from 1960 to 1964 a restoration book for these cars has been
desperately needed and here it is Author Colin Kleer president of Pennsylvania s Three Rivers chapter of the Galaxie Club
puts his decades of experience restoring these cars into this single volume Featuring step by step procedures on body
driveline chassis and interior components Kleer shows with more than 400 photos and text how to restore a full size Ford to
its former glory Crucial projects such as rust repair and driveline maintenance help guarantee that your Ford will be sound
and solid for years to come after the restoration The Galaxie and its full size stablemates continue to be a strong force at car
shows and in the marketplace they create an even deeper following for these cars Adding a detailed restoration book to the
full size restorers arsenal will surely aid in bringing more of these Fords back to life and back on the road **Military**
