

KONE MONOSPACE® 500

Environmental product declaration

KONE Environmental Product Declarations, or EPDs, provide independently verified information about the environmental performance of our products. EPDs are based on Life Cycle Assessment (LCA) data from studies carried out in compliance with the ISO 14040 standard.

This EPD lists all the components and environmental impacts of a representative sampling of our products throughout their life cycles, including energy and material consumption, waste generation, and emissions.

This EPD is a self-declaration developed in compliance with the ISO 14025 standard for Product Self-Declarations. The Life Cycle Assessment on which this EPD is based was jointly conducted by KONE and VTT Technical Research Centre of Finland.
