

SCIENCE - I

Time : 2 Hrs.)

Question Paper : March 2009

(Max. Marks : 40)

Note : See to Question Paper March 2008.

Q. 1 : (A) Rewrite the following statements by selecting the correct options :

(2)

- (i) X-rays are
(a) negatively charged particles (b) positively charged particles
(c) uncharged atoms (d) electromagnetic waves
- (ii) Solar converts solar energy into electricity.
(a) cooker (b) dryer (c) heater (d) cell
- (iii) The relation between electricity and magnetism was first established by
(a) Joule (b) Ohm (c) Oersted (d) Flemming
- (iv) possesses kinetic energy.
(a) Running water (b) Water in the lake at sea level
(c) Water in a dam (d) Stone at the foot of a hill

(B) Rewrite the column II so as to match the column I :

(2)

Column I	Column II
(i) Reflection of sound	(a) Telescope
(ii) To observe distant object	(b) Anodising technique
(iii) Name plate	(c) Carbon dating
(iv) Archaeology	(d) Megaphone
	(e) Electroplating

(C) State whether the following statements are TRUE or FALSE :

(2)

(i) Ions play an important role in life processes. (ii) The modern form of periodic law is based on the atomic weight of an element. (iii) Children use solar energy to fly kites. (iv) Energy is defined as the stored ability to do work.

(D) Fill in the blanks by choosing the correct option from bracket :

(2)

(50, 17, 7, 25, 18, 34)

(i) The number of periods present in the modern periodic table are

(ii) For hearing a distinct echo, the minimum distance of the reflecting surface from the source of sound must be meter.

(iii) Least distance of distinct vision is about centimeter.

(iv) In India, frequency of A. C. is cycles per second.

Q. 2 : (A) Give scientific reasons (any two).

(4)

(i) Inert gases exist in the form of free atom. (ii) the commercial unit of power is different from the SI unit. (iii) Copper is found to get deposited at the cathode when current is passed through aqueous copper chloride. (iv) In rainy season, we should not touch the wall of a building.

(B) Answer any two questions from the following :

(4)

(i) Distinguish between acid and base (any two points.)

(ii) Define specific heat capacity and write its units in MKS and CGS system.

(iii) Distinguish between a kinetic energy and potential energy (any two points.)

(iv) Write a short note on ultrasonic sound.

Q. 3 : (A) Solve the following numerical problems (any two) :

(4)

(i) If a 60 W electric bulb is lighted for 6 hours, how much electrical energy is consumed ?

(ii) Calculate the heat generated in a coil of resistance 41.8Ω (ohm) in 5 minutes when 0.5 ampere current is passed across it.

The Chemical Components of Tobacco and Tobacco Smoke Alan Rodgman, Thomas A. Perfetti, 2016-04-19 Authored by two longtime researchers in tobacco science The Chemical Components of Tobacco and Tobacco Smoke Second Edition chronicles the progress made from late 2008 through 2011 by scientists in the field of tobacco science The book examines the isolation and characterization of each component It explores developments in pertinent analytical

The Economic Valuation of Patents Federico Munari, Raffaele Oriani, 2011-10-01 This book fills an important gap in the literature and will be very useful both to students of intellectual property and practitioners confronted by the problem of valuing their patent portfolios An excellent overview of an evolving and challenging area it provides the necessary background to thinking about the problem of valuation and describes all the major methods in use including the real options approach Bronwyn H Hall University of California Berkeley US In depth knowledge and scientific approach are used to improve patent valuation techniques a dream book for both researchers and practitioners interested in identifying the value of creative minds Bruno van Pottelsberghe Solvay Brussels School of Economics and Management ULB Belgium The Economic Valuation of Patents provides an original and essential analysis of patent valuation presenting the main methodologies to value patents in different contexts Starting with an analysis of the relevance of patent valuation from a strategic economic and legal perspective the book undertakes a thorough review of the existing financial and qualitative valuation methodologies The contributing authors IP experts from academia and business discuss the application of valuation issues in various contexts such as patent portfolio management licensing agreements IP litigation IP backed finance and accounting For each topic an introductory theoretical background is provided and specific application contexts are then investigated This multidisciplinary book bridges theory and practice in a unique and novel way that will be appreciated by graduate students scholars and practitioners alike

Key Readings in Journalism Elliot King, Jane Chapman, 2012 This work brings together the essential writings that every student of journalism should know It presents 40 of the most important works about journalism arranged thematically to enable students to think deeply and broadly about journalism its social impact its history key individuals and institutions its practice and its future

China in 2020 Angang Hu, 2012-11-26 Explains how China as the world's largest emerging market will impact global economic growth FDI flows energy consumption climate change and other arenas with a proposed strategic framework that would guide the country's rise while maximizing positive impacts and minimizing any negative externalities Provided by publisher

Handbook of Climate Change and India Navroz Dubash, 2012-03-15 How do policymakers businesses and civil society in India approach the challenge of climate change What do they believe global climate negotiations will achieve and how And how are Indian political and policy debates internalizing climate change Relatively little is known globally about internal climate debate in

emerging industrializing countries but what happens in rapidly growing economies like India's will increasingly shape global climate change outcomes This Handbook brings together prominent voices from India including policymakers politicians business leaders civil society activists and academics to build a composite picture of contemporary Indian climate politics and policy One section lays out the range of positions and substantive issues that shape Indian views on global climate negotiations Another delves into national politics around climate change A third looks at how climate change is beginning to be internalized in sectoral policy discussions over energy urbanization water and forests The volume is introduced by an essay that lays out the critical issues shaping climate politics in India and its implications for global politics The papers show that within India climate change is approached primarily as a developmental challenge and is marked by efforts to explore how multiple objectives of development equity and climate mitigation can simultaneously be met In addition Indian perspectives on climate negotiations are in a state of flux Considerations of equity across countries and a focus on the primary responsibility for action of wealthy countries continue to be central but there are growing voices of concern on the impacts of climate change on India How domestic debates over climate governance are resolved in the coming years and the evolution of India's global negotiation stance are likely to be important inputs toward creating shared understandings across countries in the years ahead and identify ways forward This volume on the Indian experience with climate change and development is a valuable contribution to both purposes

Code Politics Jared J. Wesley, 2011-04-01 Politics on the Canadian prairies are puzzling The provinces share common roots but they have nurtured three distinct political cultures Alberta is Canada's bastion of conservatism Saskatchewan its cradle of social democracy and Manitoba its progressive centre Jared Wesley explains this paradox by examining the rhetoric employed by dominant parties to renew their provinces political code freedom for Alberta security for Saskatchewan and moderation for Manitoba Although the content of their campaigns differed leaders from William Aberhart to Tommy Douglas to Gary Doer have employed distinct codes to ensure their parties success and shape their provinces political landscapes

Complexity and Geographical Economics Pasquale Commendatore, Saime Kayam, Ingrid Kubin, 2015-02-17 The uneven geographical distribution of economic activities is a huge challenge worldwide and also for the European Union In Krugman's New Economic Geography economic systems have a simple spatial structure This book shows that more sophisticated models should visualise the EU as an evolving trade network with a specific topology and different aggregation levels At the highest level economic geography models give a bird eye's view of spatial dynamics At a medium level institutions shape the economy and the structure of financial and labour markets At the lowest level individual decisions interact with the economic social and institutional environment the focus is on firms decision on location and innovation Such multilevel models exhibit complex dynamic patterns path dependence cumulative causation hysteresis on a network structure and specific analytic tools are necessary for studying strategic interaction heterogeneity and nonlinearities

Urban Ecology for Citizens and Planners Gail Hansen, Joseli

Macedo,2021-11-09 This volume offers a wealth of information and examples for those looking to help bring urban environments into harmony with the natural world and make cities more sustainable **Recapturing a Future for Space Exploration** National Research Council,Division on Engineering and Physical Sciences,Aeronautics and Space Engineering Board,Space Studies Board,Committee for the Decadal Survey on Biological and Physical Sciences in Space,2012-01-30 More than four decades have passed since a human first set foot on the Moon Great strides have been made in our understanding of what is required to support an enduring human presence in space as evidenced by progressively more advanced orbiting human outposts culminating in the current International Space Station ISS However of the more than 500 humans who have so far ventured into space most have gone only as far as near Earth orbit and none have traveled beyond the orbit of the Moon Achieving humans further progress into the solar system had proved far more difficult than imagined in the heady days of the Apollo missions but the potential rewards remain substantial During its more than 50 year history NASA s success in human space exploration has depended on the agency s ability to effectively address a wide range of biomedical engineering physical science and related obstacles an achievement made possible by NASA s strong and productive commitments to life and physical sciences research for human space exploration and by its use of human space exploration infrastructures for scientific discovery The Committee for the Decadal Survey of Biological and Physical Sciences acknowledges the many achievements of NASA which are all the more remarkable given budgetary challenges and changing directions within the agency In the past decade however a consequence of those challenges has been a life and physical sciences research program that was dramatically reduced in both scale and scope with the result that the agency is poorly positioned to take full advantage of the scientific opportunities offered by the now fully equipped and staffed ISS laboratory or to effectively pursue the scientific research needed to support the development of advanced human exploration capabilities Although its review has left it deeply concerned about the current state of NASA s life and physical sciences research the Committee for the Decadal Survey on Biological and Physical Sciences in Space is nevertheless convinced that a focused science and engineering program can achieve successes that will bring the space community the U S public and policymakers to an understanding that we are ready for the next significant phase of human space exploration The goal of this report is to lay out steps and develop a forward looking portfolio of research that will provide the basis for recapturing the excitement and value of human spaceflight thereby enabling the U S space program to deliver on new exploration initiatives that serve the nation excite the public and place the United States again at the forefront of space exploration for the global good

Robotic Exploration of the Solar System Paolo Ulivi,David M. Harland,2014-09-16 In Robotic Exploration of the Solar System Paolo Ulivi and David Harland provide a comprehensive account of the design and management of deep space missions the spacecraft involved some flown others not their instruments and their scientific results This fourth volume in the series covers the period 2004 to the present day and features coverage of the Rosetta and Curiosity missions up to the end of

2013 coverage of Mars missions since 2005 including the Mars Reconnaissance Orbiter Phoenix and Fobos Grunt plus a description of plans for future robotic exploration of the Red Planet coverage of all planetary missions launched between 2004 and 2013 including the Deep Impact cometary mission the MESSENGER Mercury orbiter the New Horizons Pluto flyby and the Juno Jupiter orbiter the first complete description of the Chinese Chang e 2 asteroid flyby mission ever published extensive coverage of future missions including the European BepiColombo Mercury orbiter and international plans to revisit the most interesting moons of Jupiter and Saturn

Brookings-Wharton Papers on Urban Affairs: 2009 Gary Burtless, Janet Rothenberg Pack, 2010-12-01 Designed to reach a wide audience of scholars and policymakers the Brookings Wharton Papers on Urban Affairs is an annual series that serves as a forum for cutting edge accessible research on urban policy The editors seek to integrate broader research into the urban policy discussion by bringing urban studies scholars together with economists and researchers studying subjects with important urban implications In this issue papers examine a range of issues that are relevant to urban economics the effects of job location in an urban area on residential choice patterns the impact of race ethnicity and gender on mortgage lending the effects of urban characteristics on the development of new patents The volume also contains three papers on urban development outside of the United States urban sprawl in Europe rural to urban migration patterns in Brazil location patterns of industry agglomeration across Japanese cities

Dhaka's Changing Landscape Rita Afsar, Mahabub Hossain, 2019-11-05 Between 1991 and 2010 Dhaka's population more than doubled to 15 million Simultaneously the city's contribution to the national economy almost trebled Clearly population growth was accompanied by an unmistakable trend of economic growth and a significant decline in urban poverty and income inequality On the other hand Dhaka's high population density exacerbated serious environmental challenges and it was soon ranked as one of the world's least livable cities In the context of these contradictory signals of rapid urbanization Dhaka's Changing Landscape sets to answer three most intriguing questions Are the poorer segments of urban population which migrate with dreams for better lives benefitting from positive economic trends Are these benefits sustainable Are these benefits creating scope for this group to have a stake in the city's growing prosperity By studying 600 households and applying comparative analysis over a span of 20 years the authors examine demographic and economic trends to understand the patterns scale and complexity of urban poverty income inequality and rural urban migration Going beyond the space and poverty debate they enlighten the readers about the quality of life questions sustainability matters and gender and generational roles and relations necessary to understand qualitative transformation and migrants prospects for a better future

Advances in Global Optimization David Gao, Ning Ruan, Wenxun Xing, 2014-11-11 This proceedings volume addresses advances in global optimization a multidisciplinary research field that deals with the analysis characterization and computation of global minima and or maxima of nonlinear non convex and nonsmooth functions in continuous or discrete forms The volume contains selected papers from the third biannual World Congress on Global Optimization in Engineering

combinatorial optimization duality theory topology optimization variational inequalities and complementarity problems
numerical optimization stochastic models and simulation and complex simulation and supply chain analysis

Nanotechnology and the Public Susanna Hornig Priest, 2017-12-19 From nuclear power to gene therapy to the automobile history shows that it is useful to encourage and facilitate public discussion about new technologies and their potential dangers Part of the series Perspectives in Nanotechnology Nanotechnology and the Public Risk Perception and Risk Communication assesses results from focus groups interviews and other resources to provide a more nuanced understanding of how non experts perceive nanotechnology and what they expect from it Includes a series of special essays by social scientists and humanities scholars who have studied nanotechnology and society from different perspectives Assessing how ordinary people form opinions about new technologies and their adoption this book addresses the role of media messages and pre existing values in this process as well as how risks can become either amplified or weakened along the way as a result of social mechanisms Using solid theory and research to back presented concepts on risk perception and communication the author discusses the potential for using informed consent labels and other types of consumer warnings that have proved to be effective in areas other than nano An in depth investigation into the concept of mass communication practices this book explores the paradox of why despite its appeal and promise public engagement has had only limited success in the dialogue on nanotechnology Aimed at finding solutions the book s resulting conclusions are considered in the context of broader issues These include how society makes up its collective mind about technology adoption and all the profound questions this raises in terms of democratic theory **Proceedings of AC 2018 in Prague** Group of

Authors, 2018-08-07 International Academic Conferences in Prague August 10 13 2018 OECD Reviews of Innovation Policy: Netherlands 2014 OECD, 2014-09-16 This book provides a comprehensive assessment of the innovation system of the Netherlands focusing on the role of government and including concrete recommendations on how to improve policies that affect innovation and R D performance *Inequality and Development Challenges* Maria Clara Couto Soares, Mario Scerri, Rasigan Maharajh, 2018-10-24 This series of books brings together results of an extensive research programme on aspects of the national systems of innovation NSI in the five BRICS countries Brazil Russia India China and South Africa It provides a comprehensive and comparative examination of the challenges and opportunities faced by these dynamic and emerging economies In discussing the impact of innovation with respect to economic geopolitical socio cultural institutional and technological systems it reveals the possibilities of new development paradigms for equitable and sustainable growth This volume analyses the co evolution of inequality and NSI across the BRICS economies It reveals the multi dimensional character of inequality in going beyond its income aspect to include assets access to basic services infrastructure knowledge race gender ethnicity and geographic location In advancing valuable policy recommendations the book argues that inequalities must be factored in development strategies given that benefits of innovation are not automatically distributed

equally Original and detailed data together with expert analyses on wide ranging issues make this book an invaluable resource for researchers and scholars in economics development studies and political science in addition to policy makers and development practitioners interested in the BRICS countries

Digital and Document Examination Max M. Houck, 2018-01-27 The Advanced Forensic Science Series grew out of the recommendations from the 2009 NAS Report Strengthening Forensic Science A Path Forward This volume Digital and Document Examination will serve as a graduate level text for those studying and teaching digital forensics and forensic document examination as well as an excellent reference for forensic scientist s libraries or use in their casework Coverage includes digital devices transportation types of documents forensic accounting and professional issues Edited by a world renowned leading forensic expert the Advanced Forensic Science Series is a long overdue solution for the forensic science community Provides basic principles of forensic science and an overview of digital forensics and document examination Contains sections on digital devices transportation types of documents and forensic accounting Includes sections on professional issues such as from crime scene to court forensic laboratory reports and health and safety Incorporates effective pedagogy key terms review questions discussion questions and additional reading suggestions

World Intellectual Property Report 2011 - The Changing Face of Innovation World Intellectual Property Organization, 2011 WIPO s World Intellectual Property Report 2011 focuses on the Changing Face of Innovation It describes key trends in the innovation landscape including the increasingly open international and collaborative character of the innovation process the causes of the increased demand for IP rights and the rising importance of technology markets

Ksscience Paper 2009 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ksscience Paper 2009 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ksscience Paper 2009 has opened up a world of possibilities. Downloading Ksscience Paper 2009 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ksscience Paper 2009 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ksscience Paper 2009. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ksscience Paper 2009. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ksscience Paper 2009, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ksscience Paper 2009 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ksscience Paper 2009 Books

What is a Ksscience Paper 2009 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ksscience Paper 2009 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ksscience Paper 2009 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ksscience Paper 2009 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ksscience Paper 2009 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
