

GRADE 11

NOTES

SUBJECT: POLITICAL SCIENCE (028)
SESSION 2020-21

✓✓ **Legislature**

✓ **Q.1 Why do we need a Parliament?**

Ans: 1. The Parliament is the centre of all democratic process.

2. It helps in holding representatives accountable.

3. It is recognised as one of the most democratic and open forums of debate.

4. On account of its composition, it is the most representative of all organs of government.

5. It is above all, vested with the power to choose and dismiss the government.

✓ **Q.2 Mention some instances which prove the importance of the Parliament in India.**

Ans: 1. On March 11th 2002, the Finance Minister had to roll back the increases in fertilizer prices under intense opposition pressure.

2. On 4th June 1998, the entire opposition staged a walkout of the Lok Sabha. The finance minister in his budget proposal had proposed a hike of 50 paisa per kilogram of urea to reduce subsidy on it. This forced the finance minister Mr. Yashwant Sinha to roll back the hike in urea prices.

3. Congress Members voiced protest against atrocities on Harijans in Andhra Pradesh on 3rd March, 1985.

4. Site one more recent example.

✓ **Q.3 Why do we need two houses of Parliament?**

Ans: 1. The Parliament in India has two houses. This is called a bicameral legislature.

2. The two Houses of the Indian Parliament are the Rajya Sabha and the Lok Sabha.

3. Countries with large size and much diversity usually prefer to have two houses of the national legislature to give representation to all sections in the society and to give representation to all geographical regions or parts of the country.

4. A bicameral legislature makes it possible to have every decision reconsidered. Every decision taken by one house goes to the other house for its decision. This means that every bill and policy would be discussed twice. This ensures a double check on every matter.

5. Even if one house takes a decision in haste, that decision will come for discussion in the other house and reconsideration will be possible.
