Love Thy Neighbor Entangled Lovestruck:

Love Thy Neighbor Sophie Wintner, 2014-10-27 A satisfying category romance from Entangled's Lovestruck imprint. He's designed for delicious trouble. Interior designer Nikki Norris is at the end of her rope. She's lost her business and her fiancé who called off their engagement. Now she's broke and on her own, living in a loft apartment she can barely afford. But something in her feng shui must be working because her new neighbor across the hall is a sexy Brit fashion photographer and he has just the thing to turn Nikki's bad luck around. Dallas is tired of stick-thin fashion models with no personality. So when his curvaceous new neighbor Nikki seeks his help in making her ex-jealous Dallas is only too happy to oblige the woman who sets his libido on fire every time she walks into a room. Dallas, not being one to make commitments, thinks all he wants is a little taste of Nikki. But will it be enough? Just as Nikki and Dallas hatch their plan, the wicked chemistry between them growing more irresistible by the second complicates things. Now the lines between make-believe and making love blur. Have Nikki and Dallas found a perfect arrangement or have they designed the perfect plan for disaster?

Neighbors With Benefits Marissa Clarke, 2015-06-30 Sure it might not be completely unfair to call Michael Anderson a control freak. It's helped him in business; he's the CEO of Anderson Enterprises after all. But he's trying to learn to let loose just a tiny bit. Still, he's not quite sure why his therapist thinks dogsitting will fix anything. Especially since Michael and this particular canine share a kind of mutual loathing. To make matters worse, his new next-door neighbor keeps disrupting his peace and his dates by blasting the worst possible music at the worst possible times. Artist and free spirit Mia Argaropolis just landed the perfect gig to complement her career as an art therapist and her preference for living a nomadic life: housesitting in the Upper West Side. Too bad the guy next door is an arrogant stick-in-the-mud with a penchant for calling security whenever she tries to drown out the noises coming from his side of the wall. Suddenly, all in one day, Mia finds herself fighting for survival in unbearable situations. First, her dinner rolls go apocalyptic and try to take out the whole kitchen. Then her douchebag ex shows up out of the blue, her bathtub overflows, and she's attacked by a Shih Tzu with the personality of Godzilla. When Mia's uptight neighbor steps in as her unlikely hero and unplanned fiancé, wait, what? She's not sure how much stranger this day could get. Each book in the Anderson Brothers series is a standalone full-length story that can be enjoyed out of order.
