Me Without You English Edition:

There is No Me Without You Melissa Fay Greene, 2008-12-12 Two time National Book Award nominee Melissa Fay Greene puts a human face on the African AIDS crisis with this powerful story of one woman working to save her country's children. After losing her husband and daughter Haregewoin Teferra, an Ethiopian woman of modest means opened her home to some of the thousands of children in Addis Ababa who have been left as orphans. *There Is No Me Without You* is the story of how Haregewoin transformed her home into an orphanage and day care center and began facilitating adoptions to homes all over the world. Written by a star of literary nonfiction who is herself an adoptive parent, at heart it is a book about children and parents wherever they may be, however they may find each other.

Muhenda (English version) Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement, all blacks around the world were expelled, forced to return to Africa, creating a political division between blacks and whites. But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources: the kingdom of Muhenda in Africa. A place where white people were never welcome. However, an agent of the intelligence of the whites manages to enter Muhenda. The king of Muhenda is murdered, and the white man is sentenced to death for the crime, and as retaliation, all the remaining whites were made slaves. Years later, a dictator and tyrant empire rises, dominating all of Africa, inflicting terror, oppression, inequality, and pain. Led by the new king of Muhenda and the brother of the deceased emperor, Luther Nankela, that situation forces Sowety, a young African warrior queen, and Selena, a young white slave, to stand up, step up, and fight against the new system. Two different women, two enemy races, one almost impossible, gold, freedom.

Voices of the universe (english edition) Elias J. Connor, 2025-05-13 Sometimes our travels take us to places we can only imagine in our wildest dreams: distant lands, deserted islands, or even the entire universe. Janie is twelve years old. She loves to look out the window at night and observe the stars. She writes her thoughts and dreams in a notebook. Sometimes she wonders how she can be so special, unique, and yet so small in the vast universe. Janie grows up in a sheltered environment, but soon she realizes that life isn't just a place of love and dreams. The captivating novel *VOICES OF THE UNIVERSE*, which has also been adapted into a musical with 20 emotional songs, tells the moving story of Janie's life from her childhood and youth to her old age.
