Misadventures Of Fatwoman English Edition:

Of Sound Mind Julie Elizabeth Powell, 2011-06-11 Jorja always knew she was different But it wasn't until she discovered her telekinetic ability that she realised just how different she was Living with her frail mother and an obsessive cruel and hated aunt Jorja grapples with the truth of her being As her story is revealed other powers are uncovered not least that she can see other people's souls in the colours that surround them and we are led into a surprising and shocking world of fantasy forcing doubt as to the sanity of the heroine We follow Jorja's life delving into her loves hates and fears though cannot help but delight in the woman she becomes despite the question which hangs mysteriously in the air It will be up to the reader to decide if Mageia and its diverse inhabitants are indeed real or only the illusionary world created by a disturbed mind due not only to grief but also to her persecution by her aunt and the defective qualities of a barbarous doctor Although the story is resolved questions will remain

Three Into One Julie Elizabeth Powell, 2014-01-13 What is difference Is it in how we speak How we look Or how we see the world Is it the colour of our eyes The swing of our walk Or the very essence of Our minds Whatever it is Maybe we should embrace it Rather than wanting to Run away Or kill it Next time there is Difference Think What about me How do they see me Do I care Should I care What in the end do We need but Love And Acceptance Regardless of change Cover design Julie Elizabeth Powell Image freedigitalphotos

Figments Julie Elizabeth Powell, 2011-07-30 I couldn't resist putting together all those little ideas that have popped into my mind then out onto paper as the years have flown Most have fallen by the wayside into the bin of of my but some stayed and here they are These pieces have also tested my abilities and certainly stretched my brain towards a variety of genres styles and ways of looking at the world and the people in it From comedy to a touch of horror romance fantasy and fun to solemn and maybe some things in between I've had a go Hope you like this collection how could I help but indulge like that first piece of dark chocolate and sip of rich steaming coffee while snuggling with my soul mate on a freezing winter's night Enjoy

Heaven Julie Elizabeth Powell, 2015-07-31 There was nothing left I looked at the landscape unable to miss its barren coldness one that had been caused by the insatiable appetites of those in power Walking along the white stretch of road white due to the continual fall of snow I saw no one as usual Not that I expected to see anyone For I'd been walking for what felt like forever and as yet found not another soul Was I the only one left And really what was the point if I were And why had I survived Bare tree with roots by Vlado from freedigitalphotos Cover Design Julie Elizabeth Powell Source photo front cover Stuart Miles from freedigitalphotos
