Psychology, Sixth Edition in Modules David G. Myers, 2001-07 The hardcover spiralbound edition of Myers's new modular version of Psychology 6 e *Exploring Psychology, Sixth Edition, in Modules* David G. Myers, 2004-12-07 The success of the modular version of David Myers's bestselling brief text Exploring Psychology proves the author's longheld belief supported by independent research that for a number of students a text comprised of 45 15 page chapters is more effective than one of 15 45 page chapters Exploring Psychology Sixth Edition in Modules includes all the features and up to date content of the current edition of Exploring Psychology organized into 45 modules It is accompanied by its own expansive variety of media and supplements similar to the Exploring Psychology package also reorganized to match the modular format This is NOT a brief version of Psychology Seventh Edition in Modules Rather this text is a MODULARIZED version of Exploring Psychology Sixth Edition **Psychology, Seventh Edition, in Modules** David G. Myers, 2004-06 Psychology, Seventh Edition, in Modules (spiral) David G. Myers, 2003-09-22 This breakthrough iteration of David Myers' best selling text breaks down the introductory psychology course into 55 brief modules *Be A Better Leader* Graham Osborne, 2016-09-15 The purpose of this book is to enable Christian leaders to understand their psychological type using the MBTI Myers Briggs personality indicator and to use this information to generate new insights into their own experience and performance It will enable leaders to develop better strategies to maximise their strengths and to work with their recognised weaknesses A significant amount of stress is experienced by Christian leaders This book will help them to focus on those aspects of their work that are energising and life giving Part One of the book introduces the theories of psychological type and how these apply to Christian leaders Part Two include detailed profile descriptions of each of the 16 MBTI personality types and explores the comfort zone for that type and difficulties experienced by that type outside of the comfort zone Each type description is written with the role of the Christian leader in mind and covers aspects of their role eg their experiences of worship prayer pastoral responsibilities administration and working with others *The Oxford Handbook of Clinical Geropsychology* Nancy A. Pachana, Ken Laidlaw, 2014-11-06 Throughout the world the population of older adults continues to grow The rise in geriatric populations has seen an increase in research on clinical diagnostic assessment and treatment issues aimed at this population Clinical geropsychologists have increased their interest both in providing mental health services as well as developing approaches to improve quality of life for all older adults The Oxford Handbook of Clinical Geropsychology is a landmark publication in this field providing broad and authoritative coverage of the research and practice issues in clinical geropsychology today as well as innovations expanding the field's horizons Comprising chapters from the foremost scholars in clinical geropsychology from around the world the handbook captures the global proliferation of activity in this field In addition to core sections on topics such as sources of psychological distress assessment diagnosis and intervention the handbook includes valuable chapters devoted to methodological issues such as longitudinal studies and meta analyses in the

field as well as new and emerging issues such as technological innovations and social media use in older populations Each chapter offers a review of the most pertinent international literature outlining current issues as well as important cultural implications and key practice issues where relevant and identifying possibilities for future research and policy applications The book is essential to all psychology researchers practitioners educators and students with an interest in the mental health of older adults In addition health professionals including psychiatrists social workers mental health nurses and trainee geriatric mental health workers will find this a invaluable resource Older adults comprise a growing percentage of the population worldwide Clinical psychologists with an interest in older populations have increased the amount of research and applied knowledge about effectively improving mental health later in life and this book captures that information on an international level The book addresses how to diagnose assess and treat mental illness in older persons as well as ways to improve quality of life in all older persons It has a great breadth of coverage of the area including chapters spanning how research is conducted to how new technologies such as virtual reality and social media are used with older people to improve mental health The book would appeal to all psychology researchers practitioners educators and students with an interest in the mental health of older adults It would also appeal to other health professionals including psychiatrists social workers and mental health nurses who work with older people It is a valuable resource for trainee geriatric mental health workers because it highlights key readings and important practice implications in the field Transforming Nursing Education

Margaret Dexheimer Pharris, Susan Dandridge Boshier, 2008-09-22 Through case studies practical examples and in depth analysis of successful programs this book provides a roadmap for creating a more welcoming environment for minority students and faculty revamping traditional teaching methods to accomodate diverse learning styles developing and teaching a culturally competetent nursing curriculum and removing cultural and linguistic barriers to success this landmark book is an invaluable resource and absolutely essential reading Minority Nurse Magazine Readers will learn more about how to create a dynamic inclusive and challenging learning environment that remains true to the purpose of graduating highly qualified nurses to meet the need of a diverse multiracial multicultural multilingual society Gloria Smith RN MPH PhD FAAN FRCN Boshier and Pharris s provocative and timely volume addresses the critical need for nursing educational systems to graduate more culturally diverse nurses This vital resource will help nursing educators critique and redesign their curricular pedagogical and structural systems to address this need for cultural inclusion within nursing education Highlights of this book Addresses barriers to success for nursing students from culturally diverse backgrounds in the U S U K Canada Australia and New Zealand Features pedagogical strategies to help linguistically diverse students succeed in clinical settings Provides assessment practices that eliminate cultural and linguistic biases Presents initiatives for developing the leadership skills of culturally diverse students Contains detailed case studies of multicultural nurses and students Includes recommendations and questions for dialogue at the end of each chapter With this book educators and administrators can begin to forge through

the obstacles institutionalized in their nursing educational systems and ultimately see a more culturally inclusive educational environment *Nigerian News Coverage of Intimate Partner Violence, 2011-2022* Aje-Ori Agbese, 2023-11-02 Intimate partner violence is a prevalent problem that affects both men and women not only in Nigeria but around the world According to the ManKind Initiative one in three women and one in six to seven men have fallen victim to domestic violence Due to these large numbers there has been an increase in news coverage which has had both positive and negative impacts on how intimate partner violence has been defined expressed and handled Aje Ori Agbese s book sheds light on the news coverage of intimate partner violence in Nigeria including the hidden menace of female perpetrated violence against men through an analysis of three national newspapers and two news blogs from 2011 to 2022 The analysis determined that women are the prominent victims and face of intimate partner violence in Nigeria excluding many male victims In fact if the victim either male or female was not killed or did not die due to a violent attack it was very unlikely for the mass media to cover it Agbese explores why this is happening and provides information on how journalists and bloggers can become more inclusive in order to redefine the narrative and help manage intimate partner violence **Organizations, Communication, and Health**

Tyler R. Harrison, Elizabeth A. Williams, 2015-10-23 Organizations Communication and Health focuses on theories and constructs of organizational communication and their relationship to health The goal of the volume is to offer a current picture of organizational and organizing processes and practices related to health Research in the area of health communication has expanded in recent years and this research has advanced understandings of campaigns patient provider interactions and social support However a gap in the area of health organizations and organizing processes emerged a niche this volume fills It does so by having chapters identify an organizational theory or organizing process and how aspects of that theory relate to health Chapters discuss how to marry theory to practice and the other factors e g organizational structure role occupation industry or environment that need to be considered in the process of utilizing the theory in organizations This volume aimed at advanced undergraduate and graduate students studying health communication as well as health professionals provides useful theory and practice related the organizations and health and issues a call for further theorizing on the practice of health communication in organizations *The National Union Catalog, Pre-1956 Imprints* ,1974
