Catakism Jeff Lazarus, 2017-11-07 Does your cat own you What has caused us to enthrone cats as the most popular pet on the planet Why do we devote so much of our time and income to grooming feeding coddling photographing praising providing laps for and entertaining our cats If an anthropologist from outer space were to study our civilization objectively would she not conclude that our devotion to Cat amounted to nothing less than a full blown religion Would she be wrong Catakism the belief system is rooted in a bold premise namely that felines are humanity's biological and spiritual masters By allowing Man to handle all of Her low level needs Cat is free to do the higher level spiritual work that Man has no time for such as meditating seventeen hours a day teleporting into locked rooms and cabinets communing with disembodied spirits and reeducating humanity on the true purpose of boxes bags and keyboards
