In Bloom Kayla Aimee, 2018-02-06 Poignant laugh out loud funny a must read book for any woman who has ever felt like she just doesn't measure up Crystal Paine New York Times best selling author Every woman is intimately acquainted with feelings of insecurity and inadequacy Whether fueled by a culture of makeover shows by the lingering memories of mean girls or by events much more wounding to the soul we can become so conditioned by self doubt that it becomes our inner monologue What we want is to be free of shame and comparison to turn our uncertainty into a bold confidence But to flourish in our own skin we first have to rewrite the narrative In this fearless funny and refreshingly relatable chronicle of her own metamorphosis from the insecurity that once held her captive author Kayla Aimee unfolds the blueprint for women to Identify the deep seated sources of our assumed inadequacy and replace them with steadfast truths of scriptural affirmation Replace our need for approval with the enduring promise of acceptance Uncover our purpose unlock our potential and celebrate the God given gifts in our unique personality To every woman who longs for belonging this journey through Kayla's inviting prose biblical promises and journaling prompts will help guide her from restless insecurity to a beautiful becoming

Movies and Midrash Wendy I. Zierler, 2017-08-15 Finalist for the 2017 National Jewish Book Award in Modern Jewish Thought and Experience presented by the Jewish Book Council *Movies and Midrash* uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include *The Truman Show* truth *Memento* memory *Crimes and Misdemeanors* sin *Magnolia* confession and redemption *The Descendants* birthright *Forrest Gump* cleverness and simplicity and *The Hunger Games* creation of humanity in God's image among others

Film, Philosophy and Religion William H. U. Anderson, 2022-01-04 Hollywood is a 40 billion annual business one that is highly influential in culture If we want to know who we are as individuals and a society what we believe and what we value we need to know and understand Hollywood and film Make no mistake Hollywood is neither philosophically politically nor morally neutral Many studies demonstrate how movies affect us long before we have thought it through In other words Hollywood smuggles all kinds of ideas into our minds and hearts without us even knowing it While Hollywood may be the biggest and most influential in the world this book will demonstrate the growing international influence of film from India Bollywood Nigeria Nollywood Zimbabwe Zollywood and Yesil am Turkey Film *Philosophy and Religion* explicitly and implicitly takes a philosophical

approach to analyzing film theoretically and methodologically There are topic and film specific chapters that take a theological approach and others that explore ideas like Affect Axiology Art Reflecting the Artist and Transcendence Spirituality of Film Hermeneutics also have a central role in the book including films based on biblical texts that act as interpretations of these texts and fill in the blanks albeit speculatively by way of script and directors Chapters also explore the philosophy of aesthetics and film realism which end with theology while other chapters explore the incompatibility of science with religion as well as a chapter on the timely topic of rape in Turkish film The book's scope goes from the Horror of Evil in Ridley Scott's Alien Universe to Love Can Thaw a Frozen Heart The Philosophy of Love in the Frozen Films Disney Princess Narratives This book represents international films and scholars The diverse perspectives from theist to atheist and everything in between are sure to spark thinking and generate talking points that provide something for everyone in an accessible format It will be of great interest to university students and professors scholars seminars and the general public

Sociology as Method Paul Dowling, 2009-01-01 Dowling is using the term forensics to refer to approaches to research that claim to uncover truths about the world that are somehow independent of the means of their uncovering For some time now such approaches have been widely regarded as naïve but it is not clear that the implications of this recognition have always been adequately or appropriately taken into account In attempting to do just that Dowling presents a mature exposition of his organisational language social activity method SAM in dialogue with a wide range of cultural settings texts and technologies SAM has been developed over a period of some twenty years via the transaction between a fundamental theoretical principle and empirical data This principle asserts that the sociocultural is to be understood in terms of strategic autopoietic action directed at the formation maintenance and destabilising of alliances and oppositions and the alliances and oppositions that are themselves emergent upon such action This anti forensic constructive description understands data texts not as products of generative structures that lie behind them but as instances of the organisational language SAM that will ultimately describe them and that is in a sense in front of them Dowling describes himself as a theory engineer The productivity of this work is in its potential to generate principled and articulated descriptions of empirical settings and texts new ways of looking at them not to direct but to interrogate other practices relating to these settings and texts to ask questions that would otherwise be left unasked The origins of SAM lie in the analysis of mathematics education texts in the late 1980s and early 1990s and one of the chapters in this volume is again concerned with mathematics and science education in the first part of the twenty first century Other settings that come under scrutiny include classrooms film art literature knowledge in various domains the internet and so forth The book also includes fundamental engagement with forensics in particular the work of and work inspired by Basil Bernstein Paul Dowling is Professor of Education at the Institute of Education University of London Before joining the Institute in 1987 he had taught mathematics in secondary schools in and around London His other publications include The Sociology of Mathematics Education Mathematical Myths
