Making Good Preaching Better Alvin C. Rueter,2017-06-16 Making Good Preaching Better explores not the preaching of ethics but the ethics of preaching Using sound theology and practical insights this book shows that by putting themselves in the place of the people in the pews preachers can improve their sermons and make good preaching better more consistently Written with the practicing homilist in mind Making Good Preaching Better helps motivate and sharpen the skills of those in preaching ministry Laid out as a teaching tool for classroom use it also makes the work of the homiletic professor easier Reverend Rueter explains how the same qualities visual oral cohesive that make it possible for preachers to remember their sermons also make it possible for parishioners to remember these sermons He also explores concepts not covered in other homiletics books such as the legitimate appeal to self interest as observed in Jesus Paul and Moses how to deal with hard controversial topics and tips for remembering homilies Reverend Rueter bases his
