Roth,2015-05-14 This Manual is valuable because It details the development of condominiums It educates condominium owners about their civil rights It reveals how owners could unknowingly be disenfranchising themselves It unfolds a road map to a purely democratic system of self governance It explains the choices that owners have for a personally accountable system of governance It describes the essential difference between true democracy and pure democracy It includes a brief commentary on a parallel universe namely the American system of representative democracy and the monumental problems which need to be addressed It informs the members of their association regarding the importance of Roberts Rules of Order as an inclusion in their Bylaws It allows the voice of the minority to be heard and requires that the decision of the majority be acknowledged contrarily it allows the silence of the members to be the equivalent of consent without a vote It requires that the chairperson of a meeting of an association conduct a meeting in an orderly manner and insist that the voters be mutually respectful with the liberal use of a gavel It declares that the

chairperson must remain impartial at all times by not expressing an opinion on a motion thereby compromising a vote

Blumenfeld, 2006-09-26 Your Home is Your Castle was written by Richard Blumenfeld as a manual for those interested in the management of residential homeowner associations Years ago developers saw homeowner associations as troublesome components of their primary function to build and successfully sell housing The popularity of homeowner associations forced developers to rethink their philosophy and include associations as a part of their offering Unfortunately many do not understand the complexity of homeowner associations Developers take shortcuts and the results are often disaster Homeowners feel secure that their homeowner association will protect their home s values and enhance their quality of life However they seldom understand their responsibilities and the work that goes

into making an HOA a success Homeowner associations must be operated as a business and there is no room for personal agendas Understanding of case law applicable to homeowner associations is mandatory Do owners read their Declaration of Covenants and do they understand the bylaws of their community Do developers strive to create a set of HOA documents that are appropriate for their homeowners Your Home is Your Castle is a common sense road map that can be followed by developers homeowners management companies and those considering entering the HOA management business *Reserve Study Guidelines for Homeowner Association Budgets* Eva Eagle,1997 Homeowners Association and You Marlene Coleman,William H.
