

Right answer!

You do not lose your HSA dollars.

There's no "use it or lose it" rule. Your HSA funds can be carried over from year to year without restrictions.

You own your HSA. You have complete control of when you use the money. You can use it to pay for prescriptions and provider services, or you can save your HSA dollars so they continue to grow tax-free. It's your money to keep even if you change jobs, change health plans or retire.
