Hsc 2014 Question Bangladesh:

Engaging in Educational Research Raqib Chowdhury, Mahbub Sarkar, Foez Mojumder, M Moninoor Roshid, 2018-10-01 This book reflects the paradigm shift now manifesting in Bangladesh's education system by highlighting recent empirical research. It shares essential insights by presenting research conducted on diverse aspects of current day education in Bangladesh including policy and governance equity access and participation curriculum and pedagogy assessment and education programs and projects run by NGOs. Further it offers a platform for these unique studies to be showcased and disseminated to scholars and researchers from developing and developed countries alike and represents a unique reference resource for the education research community in Bangladesh Asia and all over the world. With Foreword from Professor Serajul Islam Choudhury.

The Routledge Handbook of English Language Education in Bangladesh Shaila Sultana, M. Moninoor Roshid, Md. Zulfegar Haider, Mian Md. Naushaad Kabir, Mahmud Hasan Khan, 2020-12-17 This Handbook is a comprehensive overview of English language education in Bangladesh. Presenting descriptive theoretical and empirical chapters as well as case studies, this Handbook on the one hand provides a comprehensive view of the English language teaching and learning scenario in Bangladesh and on the other hand comes up with suggestions for possible decolonisation and de-eliticisation of English in Bangladesh. The Handbook explores a wide range of diverse endogenous and exogenous topics all related to English language teaching and learning in Bangladesh and acquaints readers with different perspectives operating from the macro to the micro levels. The theoretical frameworks used are drawn from applied linguistics education sociology political science critical geography cultural studies psychology and economics. The chapters examine how much generalisability the theories have for the context of Bangladesh and how the empirical data can be interpreted through different theoretical lenses. There are six sections in the Handbook covering different dynamics of English language education practices in Bangladesh from history policy and practice to assessment pedagogy and identity. It is an invaluable reference source for students researchers and policy makers interested in English language ELT TESOL and applied linguistics.

Strengthening Local Governance in Bangladesh Shuvra Chowdhury, Pranab Kumar Panday, 2018-02-23 This book explores the impact of Bangladesh's Local Government Act of 2009 on the functioning of the local governments or Union Parishads (UP) with a particular emphasis on people's participation and accountability. Throughout the chapters the authors review the existing legal framework of UP and its relation to social accountability, examine how much of the social participation is spontaneous and how much is politically induced, question the success of the Citizen's Charter and Right to Information acts as mechanisms for social accountability and present suggestions to remedy some of the problems facing people's participation and accountability in the UP. This book fills existing gaps in the discourse by adding new information to the literature on development research and legal reforms in Bangladesh, specifically in how those legal reforms have led to strengthening or weakening people's participation in local government. The target audience for this book

are students and researchers in Asian studies international development studies and public administration as well as practitioners working in the local governments discussed *Technology Application in the Tourism and Hospitality Industry of Bangladesh* Azizul Hassan,2021-10-06 The tourism and hospitality industry of Bangladesh as a South Asian country has potential Sustainable development of this industry in this country is on the move Still there are some hindrances which appear to be stymieing this industry s overall development potential Overcoming such hindrances can be partly enabled by applying digital innovation and introducing more Internet based platforms in the country s tourism and hospitality industry The country is believed to have emphasized innovative technology application in this industry but technology applications in this industry in Bangladesh have so far attracted very few researchers resulting in insufficient contributions and very limited knowledge This book therefore can make a significant contribution towards the very limited knowledge in this identified research area On the specific ground of technology application in the tourism and hospitality industry the book covers concepts and context the present scenario product and service offers and an analysis of the roles of public and private institutions On related issues the book also covers social media networking and connectivity sustainability practices and climate change effects tourist experiences developments and challenges suggestions and future research directions The book is expected to appeal to general readers as well as researchers with an interest in technology applications in the tourism and hospitality industry This book is also an essential read for the relevant policy planners and industry professionals
