A Field Philosopher's Guide to Fracking Adam Briggles, 2015-10-01 Winner of the Writers League of Texas Book Awards Finalist for the J Anthony Lukas Book Prize From the front lines of the fracking debate a field philosopher explores one of our most divisive technologies When philosophy professor Adam Briggles moved to Denton Texas he had never heard of fracking Only five years later he would successfully lead a citizens initiative to ban hydraulic fracturing in Denton the first Texas town to challenge the oil and gas industry On his journey to learn about fracking and its effects he leaped from the ivory tower into the fray In beautifully narrated chapters Briggles brings us to town hall debates and neighborhood meetings where citizens wrestle with issues few fully understand Is fracking safe How does it affect the local economy Why are bakeries prohibited in neighborhoods while gas wells are permitted next to playgrounds In his quest for answers Briggles meets people like Cathy McMullen Her neighbors cows asphyxiated after drinking fracking fluids and her orchard was razed to make way for a pipeline Cathy did not consent to drilling but those who profited lived far out of harm s way Briggles s first instinct was to think about fracking deeply Drawing on philosophers from Socrates to Kant but also on conversations with engineers legislators and industry representatives he develops a simple theory to evaluate fracking we should give those at risk to harm a stake in the decisions we make and we should monitor for and correct any problems that arise Finding this regulatory process short circuited with government and industry alike turning a blind eye to symptoms like earthquakes and nosebleeds Briggles decides to take action Though our field philosopher is initially out of his element joining fierce activists like Texas Sharon once called the worst enemy of the oil and gas industry his story culminates in an underdog victory for Denton now nationally recognized as a beacon for citizens rights at the epicenter of the fracking revolution

UKIP Matthew Goodwin, Caitlin Milazzo, 2015-11-26 The UK Independence Party Ukip is the most significant new force in British politics for a generation Under the leadership of Nigel Farage the party has enjoyed a remarkable rise winning the 2014 European Parliament elections as well as two parliamentary by elections and attracting mainstream defectors to achieve major party status By the time of the 2015 general election Farage and Ukip stood on the threshold of becoming a major force at Westminster This account is a must read for anyone interested in the inside story of Ukip s quest to change British politics during one of the most unpredictable and dramatic elections in recent history Based on unprecedented access to the party and its key players the book pulls back the curtain on one of the most intriguing campaigns in living memory It includes behind the scenes observations from the

campaign trail and more than one hundred interviews with leading Ukip insiders such as Nigel Farage Douglas Carswell and Mark Reckless as well as major donors strategists and figures from across the political landscape as they grappled with Ukip's rise Matthew Goodwin and Caitlin Milazzo reveal what really happened during the 2015 election campaign and in the by elections and defections which preceded it providing detailed accounts of the critical moments that shaped both the election itself and British politics more widely The book also makes extensive use of British Election Study data from over five decades to answer important questions about the rise of Ukip and what it signifies Who voted for Ukip and why How are political loyalties in Britain changing over time What are the deeper currents that have made Ukip's rise possible and will continue to shape its future And what does the party's campaign for power reveal about the current evolution of British politics and society UKIP takes readers inside the campaign telling for the first time the exciting inside story of a new party attempting to redraw the map of British politics
