Japanese Core Words and Phrases Kakuko Shoji, 2015-08-19 Some Japanese words and phrases even though they lie at the core of the language forever elude the student s grasp They are not explained satisfactorily in dictionaries or textbooks for the simple reason that they cannot be conveniently defined Japanese Core Words and Phrases brings these recalcitrants to bay The book is divided into two parts each of which is arranged in alphabetical order The first part is devoted to words indicating physical as well as psychological distance roughly equivalent to this that that over there and where but quite different in usage Physical distance is covered in most textbooks but psychological distance every student s nemesis is not The second part of the book covers a variety of idiomatic expressions many of which appear in Japanese proficiency tests Each entry word or phrase is not simply explained but exemplified in sentence form clarifying its meaning in the case of many students for the very first time Japanese Core Words and Phrases has a great deal to offer the beginning student and much to offer the intermediate student Little more can be asked of a book on the Japanese language Previously

published in the Power Japanese series as Core Words and Phrases Things You Can't Find in a Dictionary **Library Journal**, 2001 *A Dictionary of Japanese Loanwords* Toshie M. Evans, 1997-05-28 Recent studies report that Japanese is the second most productive source of new loanwords to English. Such studies indicate that English speaking countries are paying more attention to Japan than ever before. This dictionary lists and defines hundreds of terms borrowed from Japanese that are now used in English language publications. Entries provide variant spellings, pronunciation, etymological information, definitions, and illustrative quotations. These quotations were collected from books, newspapers, magazines, novels, texts, advertisements, and databases published or distributed in the United States between 1964 and 1995. When countries engage in a significant amount of commercial or cultural contact, they frequently borrow words from each other's language. These loanwords are assimilated to varying degrees and show how one country gains exposure to another country's culture. Recent studies report that Japanese is the second most productive source of new loanwords to English, showing that English speaking countries are paying more attention to Japan than ever before. This dictionary includes entries for hundreds of Japanese terms now used in English language publications. Included are terms from art and architecture, medicine, and the sciences, business, and education, philosophy, and religion, and numerous other fields. Entries provide definitions, pronunciations, variant spellings, etymological histories, and illustrative quotations. These quotations were collected from books, newspapers, magazines, novels, texts, advertisements, and databases, all of which were published or distributed in the United States between 1964 and 1995. While the volume is a valuable guide to the meaning and assimilation of particular loanwords, it is also a fascinating chronicle of how certain elements of Japanese culture have strongly influenced American civilization. *Education about Asia*, 2003 Japanese the Manga Way Wayne P. Lammers, 2004-11-01 A real manga real Japanese study guide and resource for language students and teachers. 日本語の文法, 2008-04 This ever popular series of dictionary style grammar guides comprises three volumes: basic, intermediate, and advanced, with each presenting some 200 key grammar items along with analysis of sentence patterns, abundant example sentences, and easy to understand explanations in English. The books also thoroughly explain common pitfalls and the distinctions in usage of similar expressions, helping users to develop an even stronger grasp of Japanese grammar. A must have reference for learners and teachers alike. 日本語の文法, 1997 **Tokyo Business Today**, 1995 *Walford's Guide to Reference Material: Generalia, language and literature, the arts* Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 From its first edition, the purpose of Walford has been to identify and evaluate the widest possible range of reference materials. No rigid definition of reference is applied. In addition to the expected bibliographies, indexes, dictionaries, encyclopaedias, and directories, a number of important textbooks and manuals of general practice are included. While the majority of the items are books, Walford is a guide to reference material. Thus, periodical articles, microforms, online, and CD-ROM sources are all represented. In this volume, a particular effort has been made to improve coverage of the latter two

categories *Using Japanese Synonyms* A. E. Backhouse, 2016-06-16 Being a successful speaker of a given language involves control of the meaning and use of vocabulary items taking in their lexical content what phenomena they refer to combinatorial behaviour what items they occur with and situational characteristics e g as colloquial or formal terms This essential reference book provides clear information on these aspects for around three hundred groups of Japanese near synonyms supplemented by a wide range of authentic examples The result is a clear profile of the meaning and use of each item highlighting similarities and distinctions among neighbouring terms and expanding learners lexical range The book is designed primarily for English speaking learners and the selection of groups and items and the overall treatment adopted reflects the author s extensive experience in teaching Japanese to English speakers Japanese forms and examples appear in both romanisation and Japanese orthography and the bilingual indexes allow readers to locate synonyms quickly and easily

The Top Books of the Year Kodanshas Effective Japanese Usage Dictionary The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Kodanshas Effective Japanese Usage Dictionary : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Kodanshas Effective Japanese Usage Dictionary : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
