The Recruiter's Handbook offers a comprehensive step-by-step guide to the entire recruiting process written by HR Bartender's Sharlyn Lauby, SHRM-SCP. With expert insights, tools, and proven strategies, the book helps HR and talent acquisition professionals shorten learning curves, avoid legal missteps, and create meaningful candidate experiences. It also includes specialized guidance on inclusive hiring practices, recruiting veterans and ex-offenders, and building mentorship and internship programs. Ideal for both new and experienced recruiters, this practical guide is a trusted resource for building stronger teams and better hiring outcomes. **HR Focus**, 2008

Manager Onboarding Sharlyn Lauby, 2017-10-20 Managers play a vital role in onboarding but rarely receive onboarding themselves. Manager Onboarding offers HR and business leaders a practical roadmap for creating structured onboarding programs specifically for managers, whether newly hired or recently promoted. While onboarding touches nearly every part of the employee lifecycle, this book zeroes in on the early stage support managers need to succeed. From recruiting and training to coaching and performance management, managers must lead confidently and yet often lack the same foundation we give new hires. Filled with real-world examples, stories, and actionable advice, this book blends just enough theory with proven practices to help organizations build programs that elevate leadership from day one. Public Human Resource Management R. Paul Battaglio Jr., 2014-09-02 Public Human Resource Management: Strategies and Practices in the 21st Century offers a novel take on public human resource management (PHRM) by providing practical guidance for practitioners operating in a drastically reformed HR environment. Author R. Paul Battaglio assesses how the traditional practice of public HR has changed and not necessarily for the better by looking at new material on human resource information systems, managing motivation in the public sector, and public HR management education, a topic rarely found in contemporary PHRM texts. Public Human Resource Management is an essential guide to managing and navigating the challenges and opportunities posed in the changing landscape of HR reform. Workforce Management, 2008
